## INSTITUTION:

Avanthy Institute of Pharmaceutical Sciences was established in the year 2005 with the approval of PCI, New Delhi and recognized by Government Andhra Pradesh. The Institution is permanently affiliated to JNTUK, Kakinada and is AICTE. The college is well equipped with state of art laboratories and equipment. The college is 25 km from Visakhapatnam and 15 km from Vizianagaram near Tagarapuvulasa Bridge adjacent to NH-16. Students of Avanthy boast of their excellent academic performance both at University level and GPAT with an enviable record of results. Our students achieve heights of excellence by getting a way of admission in prestigious institutions like NIPER & BHU

**Report on Medical Camp: Wellness on Wheels Campaign by AIPS**

**Introduction:**

On 25-02-2020, 100 students from AIPS College organized a Medical Camp: Wellness on Wheels Campaign by AIPS in Sangivalasa Village as a part of NSS activity under the guidance of faculty [Dr.B.Manoj Kumar-H.O.D, Dr.T.Rushi Naidu-Associate professor] as part of a community outreach initiative. The medical camp aimed to provide essential healthcare services, raise health awareness, and offer medical assistance to the residents of Sangivalasa Village.

**Objective:**

The primary objective of the Medical Camp: Wellness on Wheels Campaign by AIPS was to address the healthcare needs of the underserved community in Sangivalasa Village. The event aimed to provide basic medical check-ups, consultations, and health education to improve the well-being of the local residents.

**Activities:**

The Medical camp Compassionate care for all commenced with the setup of different stations offering various healthcare services. These stations included general medical check-ups, blood pressure monitoring, blood sugar screening, basic dental care, eye examinations, and consultations with healthcare professionals.

Students from various departments, supervised by faculty and healthcare experts, actively participated in conducting the medical check-ups and providing guidance and assistance to the

villagers. Educational sessions on hygiene, nutrition, preventive healthcare, and disease awareness were conducted to empower the community with valuable health-related information.

Furthermore, free medications, basic first aid kits, and hygiene kits were distributed among the villagers to ensure they have access to essential healthcare resources.

#### **Evidence of success:**

The medical camp witnessed enthusiastic participation from the residents of Sangivalasa Village. A significant number of villagers availed themselves of the medical check-ups and consultations, benefiting from the healthcare services provided by the students and faculty.

The camp provided an opportunity for early detection of health issues, offering valuable insights into prevalent health concerns within the community. Additionally, the educational sessions raised awareness about preventive healthcare measures, promoting healthier lifestyle choices among the villagers.

Moreover, the medical camp facilitated a positive interaction between the students, faculty, and the local community, fostering trust and goodwill. It established a platform for ongoing healthcare support and engagement with the villagers.

#### **Conclusion:**

The Medical camp Compassionate care for all conducted by students of AIPS College at Sangivalasa Village was a commendable initiative that provided crucial healthcare services and health education to the underserved community. The event not only addressed immediate healthcare needs but also aimed to create a lasting impact by promoting health awareness and fostering a healthier community.

AIPS College remains committed to organizing such healthcare initiatives to contribute positively to the well-being of underserved communities.

The program was concluded with the slogans of

**"Health for All, Care for All: Medical Camp Initiative"**

**Report on Rally on Clean India: Green Streets Campaign by AIPS**

**Introduction:**

On 13-02-2020, AIPS College organized a vibrant and impactful rally up to 3km starting from Tagarapuvalasa bus stop to YSR Statue under the guidance of NSS Coordinator, the rally aims to raise awareness about the importance of a clean and hygienic environment as part of the nationwide "Clean India" campaign. The rally aimed to encourage community participation and instill a sense of responsibility towards cleanliness and sanitation among the public.

**Objective:**

The primary objective of the Clean India, Green India: Rallying for a better tomorrow was to advocate for a cleaner and healthier environment by spreading awareness about the significance of cleanliness, waste management, and sanitation practices. The event sought to inspire behavioral change and community action towards maintaining a clean and hygienic society.

**Activities:**

The rally commenced with an enthusiastic gathering of students, faculty, staff, and local volunteers at AIPS College premises. Participants carried placards, banners, and posters with messages promoting cleanliness, waste reduction, and the importance of proper sanitation.

The rally moved through prominent streets, markets, and residential areas of the locality, spreading awareness through slogans, chants, and distributing informational pamphlets on cleanliness and waste management practices. Volunteers engaged with the public, discussing the importance of

proper waste disposal and encouraging community participation in keeping public spaces clean. Furthermore, skits, street plays, and interactive sessions were performed during the rally to emphasize the adverse effects of littering and the importance of maintaining a clean environment for public health and well-being.

#### **Evidence of success:**

The Clean India, Green India: Rallying for a better tomorrow witnessed active participation from students, faculty, local residents, and volunteers. The rally successfully engaged the community and garnered attention, leading to increased awareness about the importance of cleanliness and waste management practices.

The event prompted discussions among participants and local residents regarding the significance of maintaining cleanliness in public spaces and fostering a sense of ownership for their surroundings. It encouraged individuals to reflect on their responsibilities towards maintaining a clean environment and inspired pledges for adopting cleaner habits.

Moreover, the rally facilitated collaborations with local authorities and community leaders to devise strategies for sustained efforts in promoting cleanliness and waste management practices in the locality.

#### **Conclusion:**

The Clean India, Green India: Rallying for a better tomorrow organized by AIPS College was a significant step towards fostering a cleaner and healthier environment. The event effectively raised awareness, inspired behavioral change, and encouraged community engagement towards achieving the goal of a cleaner India.

AIPS College remains committed to organizing and supporting initiatives that promote cleanliness, hygiene, and sustainable waste management practices for the betterment of society.

We extend our gratitude to all participants, volunteers, local authorities, and supporters whose participation and efforts contributed to the success of this impactful awareness rally.

The program was concluded with the slogans of

**"Be the Change, Keep India Clean"**

**Report on Awareness Program on World Anaemia Day: Iron-Rich Blood Education by AIPS**

**Introduction:**

Anaemia is a prevalent health concern globally, particularly affecting children and adolescents. Recognizing the importance of education in combating this issue, students of AIPS, specifically the students of AIPS NSS Committee, conducted an informative session at Z.P.H School. The aim was to raise awareness about anaemia, its causes, symptoms, and preventive measures among the students. The awareness program took place on 26-11-2019 at Z.P.H School premises under the guidance of faculty member Dr.V.C.Randeep Raj. The event was organized in the school premises. The audience consisted of Z.P.H School students, teachers, and staff members.

**Activities:**

**Educational Presentations:** A series of presentations were delivered by the AIPS students, covering various aspects of anaemia, including its causes, symptoms, and effects on health. Visual aids such as slideshows, charts, and graphs were used to enhance understanding.

**Interactive Discussions:** Students engaged the audience in interactive discussions to encourage active participation. Questions related to anaemia were asked, encouraging students to share their knowledge and experiences.

**Distribution of Educational Material:** Pamphlets, leaflets, and informative booklets about anaemia were distributed among the attendees to serve as handy references.

**Evidence of success:**

The event was successful in creating awareness among the students and staff of Z.P.H School. The interactive nature of the program facilitated meaningful discussions and knowledge sharing. The distribution of educational material ensured that the information would reach beyond the event and continue to benefit the attendees.

**Feedback:**

Feedback forms were distributed to evaluate the effectiveness of the program. Positive responses were received, indicating increased awareness and a willingness to adopt healthier practices to prevent anaemia.

**Conclusion:**

The initiative taken by AIPS students to raise awareness about anaemia at Z.P.H School proved to be fruitful. By imparting essential knowledge and promoting healthy practices, the event contributed significantly to the dissemination of information about anaemia and its prevention.

The program was conclude with the slogans of

**"Fight Anaemia, Embrace Vitality!"**

**Report on "Village Cleaning Program: Rural Cleanup Drive by AIPS"**

**Introduction:**

On 04-10-2019, AIPS College had organized a Village Cleaning Program: Rural Cleanup Drive in Cherukupally Village with 100 students under the guidance of faculty members [M.Madhavi Kumari, M.Krishna Rekha] as part of its community outreach and commitment to environmental stewardship. The program aimed to promote cleanliness, hygiene, and community involvement in maintaining a clean and healthy environment. The program was successfully completed by collecting 20 kgs of waste across the village including paper, plastic, cloths etc...

**Objective:**

The primary objective of the Village Cleaning Program: Rural Cleanup Drive was to raise awareness about the importance of cleanliness and proper waste management practices among the residents of Cherukupally Village. The initiative also aimed to actively engage students and locals in cleaning public areas to improve the village's overall sanitation.

**Activities:**

The cleaning program commenced with an inaugural ceremony, including addresses by college representatives and local community leaders emphasizing the significance of maintaining cleanliness for the village's well-being.

Volunteers, comprising AIPS College students, faculty, and local residents, actively participated in various cleaning activities. Teams were formed to clean streets, public spaces, parks, and other areas prone to littering. Participants used gloves, trash bags, and other necessary equipment to collect and properly dispose of litter and debris.

Additionally, while cleaning educational sessions were conducted to impart knowledge about waste segregation, recycling practices, and the importance of reducing plastic usage. The sessions aimed to educate participants about sustainable waste management and the detrimental effects of littering on the environment.

**Evidence of success:**

The village cleaning program witnessed enthusiastic participation from AIPS College students, faculty, and a significant number of local residents. The collective effort resulted in the effective cleaning of public areas within Cherukupally Village, significantly improving its cleanliness and aesthetics.

The program not only contributed to the immediate cleanliness of the village but also raised awareness among participants about the importance of maintaining a clean environment. Residents expressed their gratitude for the initiative and pledged to continue practicing responsible waste disposal habits.

Moreover, the collaborative effort fostered a sense of community ownership, encouraging locals to take pride in their village and actively participate in maintaining its cleanliness.

**Conclusion:**

The "Village Cleaning Program: Rural Cleanup Drive by AIPS" in Cherukupally Village was a resounding success in promoting cleanliness, environmental awareness, and community involvement. The event highlighted the importance of collective action in maintaining a clean and healthy environment. AIPS College remains committed to engaging in such community-oriented initiatives to contribute positively to the well-being of local communities. We extend our appreciation to all participants, volunteers, and supporters whose dedication contributed to the success of this impactful initiative. Finally, the program was concluded with the slogans of

**Report on Tree Plantation Program: Root for Nature Campaign by AIPS**

**Introduction:**

On the eve of World Environment Day 05-06-2019, AIPS College organized a significant program on tree plantation in Cherukupally Village involving 70 student volunteers under the guidance of faculty S.Hotta, N.Hema Durga. The event aimed to commemorate World Environment Day and contribute to environmental conservation by planting trees involving local citizens and students in this impactful initiative.

**Objective:**

The primary objective of the tree plantation program was to raise awareness about the importance of environmental conservation and the role trees play in mitigating climate change. Additionally, the event aimed to encourage community participation, especially among local citizens and students, to actively contribute to greening efforts.

**Activities:**

The program began with a brief inaugural ceremony, featuring speeches by college faculty and local environmental experts, emphasizing the significance of tree planting in sustaining ecological balance and combating environmental degradation. This was followed by an informative session highlighting the benefits of trees for the environment and the community.

Students from AIPS College collaborated with local residents and school students from Cherukupally Village in planting saplings of native tree species. Practical demonstrations and guidance on proper planting techniques, caring for young trees, and the importance of tree diversity were provided to ensure the saplings' healthy growth.

Furthermore, interactive sessions were conducted to educate participants about the crucial role of trees in mitigating climate change, improving air quality, preventing soil erosion, and providing habitat for wildlife.

#### **Evidence of success:**

- The tree plantation program witnessed enthusiastic participation from both local citizens and students.
- Over 100 saplings of indigenous tree species were planted across designated areas in Cherukupally Village, contributing to the expansion of green cover in the region.
- The event served as a platform to instill environmental consciousness among participants, particularly the students, fostering a sense of responsibility towards preserving nature. It provided an opportunity for hands-on learning and encouraged the community to take an active role in environmental stewardship.
- Moreover, the collaboration between AIPS College and the local community strengthened bonds, creating a sense of collective responsibility towards environmental sustainability.

#### **Conclusion:**

The Tree Plantation Program conducted by AIPS College at Cherukupally Village on the occasion of World Environment Day was a resounding success in promoting environmental awareness and community engagement. The event not only facilitated the planting of trees but also inspired a spirit of environmental stewardship among participants.

AIPS College remains committed to organizing similar initiatives to contribute to a greener and healthier environment for present and future generations.

We extend our gratitude to all participants, volunteers, and supporters whose dedication contributed to the success of this noble endeavor.

Finally the program was concluded with the slogans of

## PROFILE OF RESOURCE PERSON

Dr.M. B. V. Raju, working as Principal at Avanthi Institute of pharmaceutical Sciences, Bhogapuram, Vizianagaram. He has obtained B.Pharmacy & M.Pharmacy from Andhra University & got his Ph.D from Berhampur University in 2005. He is having 30 years of teaching, Research & Administrative experience. During this period he has served in different positions such as Research coordinator for M.Pharm students, Examination in charge for B.Pharm, M.Pharm & Pharm.D and has guided many students who qualified in GPAT, NIPER and other competitive examinations. Dr. Raju has published/ presented about 30 research papers in national and international reputed journals. Under his able guidance 3 students have been awarded Ph.D and 30 students have been awarded M.Pharm. His research field engulfs the synthesis of heterocyclic derivatives and isolation of active principles from medicinal plants and their pharmacological screening.

## REPORT

**Name of the program** : Training on ICT skills

**Title of the Programme** : How to use CHEM Draw software's for drawing  
Chemical Structures

**Duration of training** : 19/9/2019 to 20/09/2019

**Resource Person Details** : Dr. M.B.V. Raju

Avanthi Institute of Pharmaceutical Sciences

A two days ICT Skills training program was organized on “**HOW TO USE CHEM DRAW SOFTWARE FOR DRAWING CHEMICAL STRUCTURES**” by **Dr. M.B.V. Raju, Principal, Avanthi Institute of Pharmaceutical Sciences, Vizianagaram** services for III & IV B.Pharmacy students from 19/09/2019 to 20/09/2019 in Avanthi Institute of Pharmaceutical Sciences. Around 150 students were attended the training program and students gained lot of information.

The main objective of this training is to explain the students about

1. Use of ChemDraw software drawing tools that helps the students to draw chemical structures and reactions as well as biological objects and pathways.
2. Students can also use it to predict properties and spectra, covert chemical structures to IUPAC names, view 3D structures, etc.

Students said that this training program greatly expanded their understanding levels on the Use of ChemDraw software used in chemical structures and reactions and also gained information about computerized skills.
