## REPORT

<b>Name of the program</b>	: Language & Communication skills Training
<b>Title of the Program</b>	: Confidence Building Skills in Communication, Effective communication
<b>Duration of training</b>	: 16/11/2022 to 18/11/2022
<b>Resource Person Details</b>	: Dr.M.Swaroop Rani M.A .Ph.D Associate professor of English Avanathi Institute of Engineering and Technology 9398194797
<b>Faculty co-ordinator</b>	: S. Chandra Sekhar Associate Professor Dept of Pharmaceutical Technology Avanathi Institute of Pharmaceutical sciences 9346668519

Avanathi Institute of Pharmaceutical Sciences had organized a training session on "Language and Communication Skills" for I & II M.PHARM students by trainer Dr.M.Swaroop Rani, M.A, Ph.D, Associate professor of English, Avanathi Institute of Engineering and Technology from 16/11/2022 to 18/11/2022 .The purpose of the training was

- Effective communication is a key factor to ensure that the situation is resolved in a respectful manner.
- Better communication built trust and is particularly effective in improving teamwork.
- Good communication allows us to connect with others, express our needs, understand the perspective of others & resolve conflicts

Introducing this communication skills program to students helped them to speak English fluently and helped the students ready to face the challenging world. Around 71 students from 16/11/2022 to 18/11/2022 had attended this training programme. The programme was excellent. It was useful to students to enhance their communication skills and students requested to conduct more such training session. The management and Dr. M .B. V. Raju, principal of AIPS thanked Dr.M.Swaroop Rani, M.A, Ph.D, for making the students shine to face interview and encouraged the students to speak English fluently.

Avanathi Institute of Pharmaceutical Sciences organized a training program on “Language and Communicative Skills training titled- Basic communication skills & Basic characteristics of language for IV, V & VI PHARM.D students by corporate trainer **Mr. A. Hemanth Kumar** Associate Professor of English, Campus Recruitment Training, Avanathi Institute of Engineering & Technology, Vizianagaram.

The purpose of the training was

- Successful communication helps us better understand people and situations.
- Skills of language allow an individual to comprehend and produce spoken language for proper and effective interpersonal communication.
- Communication helps us build relationships by allowing us to share our experiences, and needs, and helps us connect to others.

Around 78 students from IV ,V & VI PHARM.D have attended this informative programme. The programme was excellent. It was useful to students to enhance their communication skills and students requested to conduct more such training session. The management and Dr. M .B. V. Raju, principal of AIPS thanked Mr. A. Hemanth Kumar, Associate Professor of English , for making the students shine to face the interview and encouraged the students to speak English fluently.

## REPORT

<b>Name of the activity</b>	: Awareness on biomedical and waste management at GGH
<b>Date of activity</b>	: 10-02-2023
<b>Time</b>	: 10:00 am to 12:30 pm
<b>Location for the activity</b>	: King George Hospital (KGH)
<b>Organizing unit</b>	: NSS unit
<b>Audience/ group present</b>	: NSS volunteers, faculty and IV Pharm .D students

Pharmacy students of Avanathi Institute of Pharmaceutical Sciences had organized an awareness program on biomedical and hospital waste management. The program aimed to assess knowledge, attitudes and practices of healthcare professionals and Institutions regarding the proper disposal and management of biomedical waste. It also focuses on evaluating the awareness and practices surrounding the biomedical and hospital waste management.

### **Program highlights:**

- To create awareness among the health care professionals and institutions.
- To educate about proper disposal and management of biomedical waste
- To explain management of such waste is crucial to prevent the spread of infections and protect the environment.
- To improve awareness and skills for health care professionals in biomedical waste management.

### **Community involvement:**

The healthcare professionals, institutions and students have actively participated in this awareness program. It also explained how environment is harmed by improper management of biomedical and hospital waste. The program served as an example of how educational institutions can play a vital role in fostering positive change in society.

### **Conclusion:**

The awareness program organized by Avanathi Institute of Pharmaceutical Sciences Pharmacy students was a successful endeavor in promoting community engagement and environmental consciousness. Such initiatives play a pivotal role in nurturing socially responsible citizens.

Swachh Bharat program was organized by the Pharmacy students of Avanathi Institute of Pharmaceutical Sciences at Cherukupally. The program aimed to contribute to the local community's well-being and promote environmental awareness among the students.

### **Activities:**

The event began with a brief orientation session, highlighting the importance of maintaining cleanliness and hygiene for a healthier environment. The students, divided into groups, actively participated in various cleaning activities, including picking up litter, cleaning public spaces, and raising awareness about waste segregation.

### **Impact:**

The enthusiastic participation of the students led to a significant improvement in the cleanliness of Cherukupally. The program not only enhanced the physical appearance of the village but also fostered a sense of responsibility among the students towards the environment and the community.

### **Conclusion:**

The village cleaning program organized by Avanathi Institute of Pharmaceutical Sciences Pharmacy students was a successful endeavour in promoting community engagement and environmental consciousness. Such initiatives play a pivotal role in nurturing socially responsible citizens.

## REPORT

<b>Name of the activity</b>	: Awareness on Dengue
<b>Date of the activity</b>	: 11-09-2022
<b>Time</b>	: 10:00 am to 12:00 pm
<b>Location for the activity</b>	: Chittivalasa
<b>Organizing unit</b>	: NSS unit
<b>Audience/ Group present</b>	: NSS volunteers , Faculty and II Pharm D students

An Awareness program on dengue and unhygienic conditions was organized by Pharmacy students of Avanathi Institute of Pharmaceutical Sciences at chittivalasa. The program was aimed to create awareness about dengue and promote wellness among the local people and students.

### **Activities:**

The activity started with a brief session about the dengue, its symptoms and transmission of dengue. It also educated the students about the preventive measures and foods that should be taken and shouldn't be taken for the dengue.

### **Impact:**

The enthusiastic participation of the students led to creating awareness about the dengue among the local people. It also enhanced people in educating and in recognizing their symptoms and what care should be taken in such condition.

### **Conclusion:**

The awareness program organized by pharmacy students of Avanathi Institute of Pharmaceutical Sciences was a successful endeavour in promoting students and community management. Such awareness programs play a pivotal role in nurturing and being socially responsible citizens.

## REPORT

<b>Name of the activity</b>	: Tree plantation program
<b>Date of the activity</b>	: 23-08-2022
<b>Time</b>	: 10:00 am to 12:00 pm
<b>Location for the activity</b>	: Cherukupally
<b>Organizing unit</b>	: NSS unit
<b>Audience/ Group present</b>	: NSS volunteers , Faculty and II B. Pharmacy students

A commendable initiative was undertaken by the Pharmacy students of Avanathi Institute of Pharmaceutical sciences, aimed at promoting energy conservation through a tree planting program in Cherukupally. The event not only contributed to environmental sustainability but also fostered community engagement and awareness.

### **Program Highlights:**

The tree planting program commenced with a brief introduction to energy conservation and its significance. The students, accompanied by faculty members, enthusiastically planted a variety of indigenous trees in strategic locations across Cherukupally. The program not only aimed at enhancing the village's green cover but also at educating the local community about the pivotal role trees play in conserving energy and maintaining ecological balance.

### **Community Involvement:**

Local residents actively participated in the event, reinforcing the sense of unity and shared responsibility. Through interactive sessions and discussions, the students conveyed the importance of energy-efficient practices, emphasizing how trees contribute to reducing carbon footprint and conserving natural resources.

### **Conclusion:**

The tree planting program conducted by Avanathi Institute of Pharmaceutical sciences Pharmacy students showcased their commitment to environmental sustainability and energy conservation. The event served as an example of how educational institutions can play a vital role in fostering positive change in society.

### Avanathi pupils clear trash at Bheemli beach

EXPRESS NEWS SERVICE  
@ Visakhapatnam

A group of Pharm D students belonging to Avanathi Institute of Pharmaceutical Sciences cleared the trash on Bheemli beach on Tuesday. They created awareness about environmental protection among the local fishermen.

They also explained how everybody's actions would affect the environment and consequently the future generations.

The students said that regular cleaning of trash on the coast as well as marine litter is crucial for the survival of the marine ecosystem and for clean beaches.

A Two Days Seminar was organised on “**MOLECULAR DOCKING STUDIES**” for III B . Pharm & IV B .Pharm students from 23-2-2023 – 24-2-2023 by Avanathi Institute of Pharmaceutical Sciences. Around 145 students were attended the seminar and students gained lots of information. The main objective of this training is to explain the students about the need of innovation in Pharma Sector. Molecular docking studies research focuses on computational simulating the molecular recognition process. At the end of session feedback was taken from students. Students said that this seminar greatly expanded their understanding levels on the innovation in pharmaceutical industry and also gained information about computerized skills . Lastly, M B V Raju , Principal of AIPS thanked the resource person for sharing knowledge with the students.

A one day session was organized on “**SOFTWARES USED IN SEPARATION TECHNIQUES**” for II & III B.Pharmacy students from 31-01-2023 by Avanathi Institute of Pharmaceutical Sciences. Around 140 students were attended the seminar and students gained lots of information. The main objective of this training is to explain the students about the need of innovation in Pharma Sector. Patient profile means a written or electronic record of individual patient information, created in a pharmacy practice, for use by a pharmacist in the provision of pharmacy patient care services, including drug use review and patient counseling requirements. At the end of session feedback was taken from students. Students said that this webinar greatly expanded their understanding levels on the innovation in pharmaceutical industry and also gained information about computerized skills. Lastly, M B V Raju , Principal of AIPS thanked the resource person for sharing knowledge with the students.
