Avanathi Institute Of Pharmaceutical Sciences organized a program on “Language and Communicative Skills training on Basic communication skills & Basic characteristics of language for II & III PHARM-D Students by corporate trainer R. Hema Latha M.A ,M.Phil , B.Ed, Associate Professor of English, Campus Recruitment Training, Avanathi Institute of Engineering & Technology, Vizianagaram.

The purpose of the training was

- Successful communication helps us better understand people and situations.
- Skills of language allow an individual to comprehend and produce spoken language for proper and effective interpersonal communication.
- Communication helps us build relationships by allowing us to share our experiences, and needs, and helps us connect to others.

Around 52 students from II & III PHARM-D have attended this informative programme. The programme was excellent. It was useful to students to enhance their communication skills and students requested to conduct more such training session. The management and Dr. M .B. V. Raju, principal of AIPS thanked R. Hema Latha ,M.A ,M.Phil , B.Ed for making the students shine to face interview and encouraged the students to speak English fluently.

REPORT

Name of the program	: Language & Communication skills Training
Title of the Program	: Confidence Building Skills In Communication, Effective communication
Duration of training	: 04-10-2021 to 06-10-2021
Resource Person Details	: Dr.M.Swaroopa Rani M.A .Ph.D Associate professor of English Avanthi Institute of Engineering and Technology 9398194797
Faculty co-ordinator	: A.H.V.Santhoshi M.Pharm, (Ph.D) Associate professor Dept of Pharmaceutical Chemistry Avanthi institute of Pharmaceutical Sciences 9492633315

Avanthi Institute of Pharmaceutical Sciences had organized a training session on “Language and Communication Skills” for IV, V & VI PHARM.D students by trainer Dr.M.Swaroopa Rani, M.A, Ph.D, Associate professor of English, Avanthi Institute of Engineering and Technology from 04-10-2021 to 06-10-2021. The purpose of the training was

- Effective communication is a key factor to ensure that the situation is resolved in a respectful manner.
- Better communication built trust and is particularly effective in improving teamwork.
- Good communication allows us to connect with others, express our needs, understand the perspective of others & resolve conflicts

Introducing this communication skills program to students helped them to speak English fluently and helped the students ready to face the challenging world. Around 77 students from IV,V & VI PHARM.D have attended this training programme. The programme was excellent. It was useful to students to enhance their communication skills and students requested to conduct more such training session. The management and Dr. M .B. V. Raju, principal of AIPS thanked Dr.M.Swaroopa Rani, M.A, Ph.D, for making the students shine to face interview and encouraged the students to speak English fluently.

REPORT

Name of the activity : Motivating Local Shopkeepers to Ban Plastic

Date of the activity : 11-05- 2022

Time : 10:00 am to 01:00 pm

Location for the activity : Cherukupally

Organizing unit : NSS Unit

Audience/Group present : NSS Volunteers, Faculty and III & IV B.Pharm Pharmacy students

In response to the pressing environmental concerns associated with plastic usage, a group of Pharmacy students from Avanthi Institute of Pharmaceutical Sciences initiated a campaign to motivate local shopkeepers in Cherukupally to ban plastic. The campaign aimed to raise awareness about the detrimental effects of plastic on the environment and encourage sustainable alternatives.

Campaign Activities:

The students organized a series of activities on 11-05-2022, to engage the local shopkeepers and promote the plastic ban initiative:

1. Awareness Workshop: An interactive workshop was conducted to highlight the environmental hazards caused by plastic usage. The workshop emphasized the importance of adopting eco-friendly alternatives.
2. Distribution of Alternatives: Reusable cloth bags and paper bags were distributed among shopkeepers as an immediate replacement for plastic bags. This step aimed to demonstrate the feasibility of shifting away from plastic.

Impact:

The campaign successfully motivated a significant number of local shopkeepers to commit to the plastic ban initiative. Many pledged to gradually eliminate single-use plastic bags and explore more sustainable packaging solutions.

Report

Name of the activity : Preventive measures to control vector borne diseases by maintaining proper environmental determinants

Date of activity : 17-11-2021

Time : 10:00 am to 12: 30 pm

Location for the activity : Gudiwada

Organizing unit : NSS Unit

Audience/Group present : NSS Volunteers, Faculty and I Pharm. D students

An Awareness program on preventive measures to control vector borne disease by maintaining proper environmental determinants was organized by Pharm.D students of Avanthi Institute of Pharmaceutical Sciences at Gudiwada. The program was aimed to create awareness about malaria and promote wellness among the local people and students.

Activities:

The activity started with a brief session about the malaria, its symptoms and transmission of malaria. It also educated the students about the preventive measures and foods that should be taken and shouldn't be taken for the malaria.

Impact:

The enthusiastic participation of the students led to creating awareness about the malaria among the local people. It also enhanced people in educating and in recognising their symptoms and what care should be taken in such condition.

Conclusion:

The awareness program organized by pharmacy students of Avanthi Institute of Pharmaceutical Sciences was a successful endeavour in promoting students and community management. Such awareness programs play a pivotal role in nurturing and being socially responsible citizens.

A commendable initiative was undertaken by the Pharmacy students of Avanthi Institute of Pharmaceutical sciences, aimed at promoting energy conservation through a tree planting program in Cherukupally. The event not only contributed to environmental sustainability but also fostered community engagement and awareness.

Program Highlights:

The tree planting program commenced with a brief introduction to energy conservation and its significance. The students, accompanied by faculty members, enthusiastically planted a variety of indigenous trees in strategic locations across Cherukupally. The program not only aimed at enhancing the village's green cover but also at educating the local community about the pivotal role trees play in conserving energy and maintaining ecological balance.

Community Involvement:

Local residents actively participated in the event, reinforcing the sense of unity and shared responsibility. Through interactive sessions and discussions, the students conveyed the importance of energy-efficient practices, emphasizing how trees contribute to reducing carbon footprint and conserving natural resources.

REPORT

Name of the activity : Preventive measures to control vector borne diseases by maintaining proper environmental determinants

Date of the activity : 08-09-2021

Time : 10:00 am to 12:00 pm

Location for the activity : Gudiwada

Organizing unit : NSS Unit

Audience/Group present : NSS Volunteers, Faculty and I Pharm.D students

An Awareness program on preventive measures to control vector borne disease by maintaining proper environmental determinants was organized by I Pharm.D students of Avanthi Institute of Pharmaceutical Sciences at Gudiwada. The program was aimed to create awareness about malaria and promote wellness among the local people and students.

Activities:

The activity started with a brief session about the typhoid, its symptoms and transmission of typhoid. It also educated the students about the preventive measures and foods that should be taken and shouldn't be taken for the typhoid.

Impact:

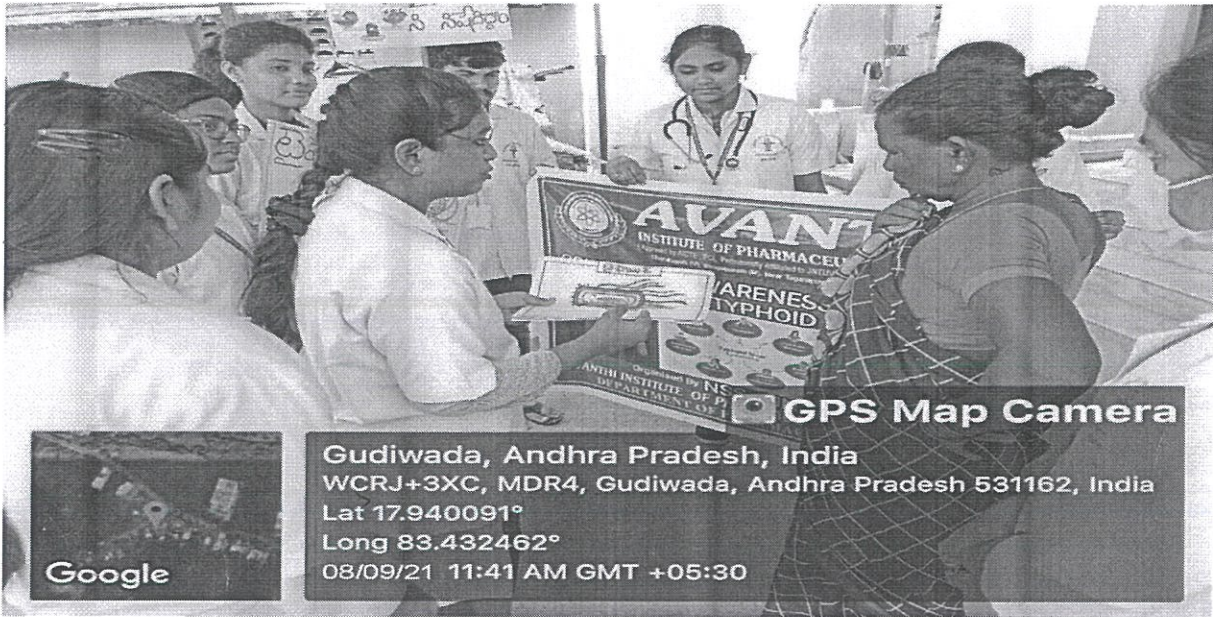

The enthusiastic participation of the students led to creating awareness about the typhoid among the local people. It also enhanced people in educating and in recognising their symptoms and what care should be taken in such condition.

Conclusion:

The awareness program organized by I Pharm.D students of Avanthi Institute of Pharmaceutical Sciences was a successful endeavour in promoting students and community management. Such awareness programs play a pivotal role in nurturing and being socially responsible citizens.
