The dynamic guru, who is loved by the youth for his camps and inspirational sessions, engaged the students in a refreshing and educative session by Shyam Madhava Dasa. His simple words coupled with audio-visual inputs threw new light on the meanings of ‘successes and ‘education’ for the young listeners in a light-hearted manner. Students were called on stage for some fun learning practical exercises. Besides, he discussed the importance of positive thinking and attitude which brings optimism in life. No wonder, his engagement with the excited students was thrilling and power-packed. Through jokes, experience sharing and activities, he could hold the students spellbound and deeply involved. He demonstrated simple approaches towards ‘simplifying’ life and managing the unnecessary stress even students are so very prone to these days. Moreover, shared his personal experiences of how to love nature and be a part of it.
