MINUTES OF GRIEVANCE AND REDRESSAL COMMITTEE MEETING

The meeting of the Grievance and Redressal committee was held on 18-06-2022 at 2:30 p.m. in the college Conference Hall. The Chairman extended a warm welcome to the members of the committee. He addressed the present members to look into the complaints lodged by the students and to resolve such issues in the college for the academic Year 2022-23.

The Committee discussed the following agenda at the meeting:

Item – 1

Formation of the Grievance Redressal Committee for the academic year 2022-23

Resolution

It was discussed to reconstitute the Grievance Redressal Committee for the academic year 2022-23. In every department, a few faculties are formed to look into the problems faced by the students in the campus. The committee should settle genuine grievances and also the matters of psychological harassment by faculty, up to a satisfaction level so as to create a healthy relationship among the students in the campus. The grievance will include any matter related to the student. The committee is advised to contribute effectively to dispose the grievances at the earliest. The number of grievances settled or pending will be reported to the Principal/Director.

Item-2

Awareness program on Grievance Redressal mechanism.

Resolution:

As per the discussions done by the members of the committee, it was agreed by the committee members to spread awareness among the students and staff about identifying and sharing any grievances by organizing awareness programs and guest lectures.

Other related issues	Safety & security, discipline, misbehaviours, emergency services, etc.

Formation of the Grievance Redressal Committee (GRC)

A Grievance Redressal committee shall be established to deal with complaints of students/teaching or non – teaching staff. The Committee shall consist of the following members nominated by the employer: -

- The Principal of the college — Chairman.
- One Professor shall act as Coordinator.
- At least three committee members must be senior teaching professors nominated by the principal
- A student: - a representative from among students of the college to be nominated by the principal based on academic merit or Competence in sports or performance in co-curricular activities.

Meeting of the Committee

- The Committee shall meet at least twice every academic year.
- The chairperson of the Committee can call a special meeting at any time upon written request of not less than one-third of the total number of members of the Committee, on a date not later than 15days after receipt of such requisition by the chairperson.

Method

The following procedure shall be followed for the investigation or inquiry of the complaints

received by the GRC.

- Once received, the complaint shall be determined, reviewed, and conveyed to the department/office/individual responsible for the substantive role of the claim, requesting that the grievance be investigated and resolved within a specified time, or no later than seven days from the date of receipt of the grievance complaint.
- In the case of a grievance received through a suggestion or grievance box, the box should be opened in the presence of a committee member including a student.
- The Grievance Redressal Committee shall coordinate, supervise, and ensure that grievances are resolved on time. Depending on the severity of the complaint, the Grievance Redressal Committee may follow up on it daily with reminders before it is finally resolved.
- The Grievance Redressal Committee will review the redressal mechanism in depth. If the committee is satisfied with the solution provided by the relevant department/office/individual, the committee will notify the grievant in writing, and the matter will be considered closed until the grievant shows approval of the resolution at this stage.
- If the Grievance Redressal Committee is not pleased with the solution issued by the respective department/office/individual, or upon the grievant written request, the committee will schedule a hearing and notify the college/department/office/individual, as well as the grievant, via letter. If the committee determines that additional information or testimony is required to decide after the hearing, it will request that the parties send that information. In this case, the trial will be continued until the necessary documents are received.
- After the hearing or investigation, the Grievance Redressal committee shall use its best efforts to work out a resolution of the issues involved with the parties named in the grievance application — pass an order indicating the reasons for such order, as may be deemed fit.
