REPUBLIC DAY was celebrated at AVANTHI INSTITUTE OF PHARMACEUTICAL SCIENCES on 26th January 2020, Prof. B. Satyam was invited as the chief guest of the program to hoist the National Flag. Dr S.N.V Ganesh, The Principal, M Prasada Rao, Rector, Andhra university, and Sri Muttamsetti Srinivasa Rao Garu, Minister of Tourism graced the event. The Constitution was passed on 26 November 1949 in the Constituent Assembly. It was adopted on 26 January 1950 with a democratic government system. 26 January was selected, because it was on this day in 1930, the Declaration of Indian Independence was passed. India achieved independence from the British rule on 15 August 1947, following the Indian independence movement noted for largely peaceful nonviolent resistance and civil disobedience led by the Indian National Congress. The Independence came by the Indian Independence Act of 1947 (10 & 11 Geo 6 c. 30), an Act of the Parliament of the United Kingdom that partitioned British India into the two new independent Dominions of the British Commonwealth (later Commonwealth of Nations): India and Pakistan. The country, though, did not yet have a permanent constitution; instead, its laws were based on the modified colonial Government of India Act 1935. On 28 August 1947, the Drafting Committee was appointed to draft a permanent constitution, with Dr. B. R. Ambedkar as its Chairman. While India's Independence Day celebrates its freedom from British Rule, the Republic Day celebrates the Constitution of India coming into force. The sports events like Kabaddi, Throw Ball, Volley Ball, Tennykoit competition were organized. A Total of 361 Students participated in those activities with fun and enjoyment. These were followed by stirring speeches by the students, teachers. and some prominent citizens. In the end, the program was concluded by distributing sweets and snacks to all the students.

Teacher's Day is a special day dedicated to honoring and appreciating the contributions of teachers to society. The exact date and traditions of Teacher's Day vary depending on the country, but it is typically celebrated annually on a designated day in recognition of the important role that teachers play in shaping the minds and futures of their students. In many countries, including the United States, National Teacher's Day is celebrated on the first Tuesday in May. In other countries, such as India, Teacher's Day is celebrated on September 5th, which is the birthday of Dr. Sarvepalli Radhakrishnan, a philosopher and educator who served as the first Vice President and second President of India. Overall, Teacher's Day is an important occasion for recognizing the vital role that teachers play in educating and inspiring the next generation. College celebrated "Teacher's Day' with all the devotion and reverence for the Gurus as per the Indian tradition. Several guests, who included senior faculty members, graced the occasion. The program started by paying floral tributes to the portrait of Dr. Sarvepalli Radhakrishnan. The guests recollected the contribution of Dr. Radhakrishnan and the noble Guru-Shishya Parampara. College honors its best teachers with awards for their contribution in moldings students into responsible citizens, good human beings and well-learned professionals on the occasion every year.
