1. ALUMNI TALK SERIES ON TO CRACK GOVERNMENT JOB WHILE STUDYING PHARMACY GRADUATION

BY

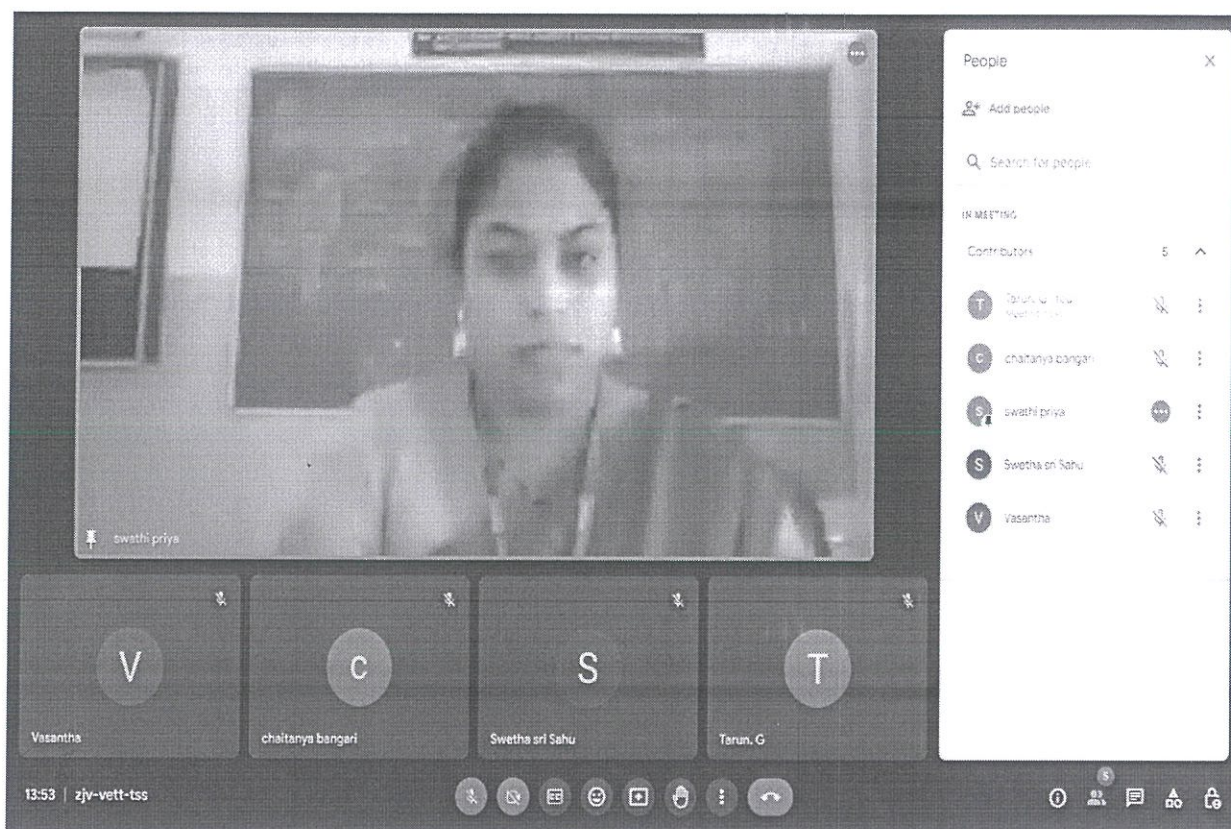

Mrs. SWATHI

I am Mrs. Swathi, studied B-pharm in Avanthi Institute of Pharmaceutical Sciences, Tagarapuvalasa and an Alumni of AIPSAA. Now I am Vice-principal in Srinivasa college of pharmacy at Visakhapatnam. I am delighted to share my experience in the college with you. The training and the environment provided by the college help me shape into a good person and successful professional.

Try to unique and identify your passion, if you take the between path of hard, you may not achieve special in your life. So, always try to pursue what you really want to do in your life and have the courage to do it.

I started my career as faculty, in Srinivasa college of pharmacy, I was selected by the college management on the basis of my teaching skills. I learned many things which helped me lot in my career. Teaching was not my dream job, another very important: “Take full advantage of the experienced teachers of Avanthi, they are damn good”. This is the time you can ask any kind of queries, after the college no one going to solve your queries. I know it’s pretty hard to choose one college from college fun life and learning, just plan both and you will rock in both ways.

My Suggestion to my juniors –

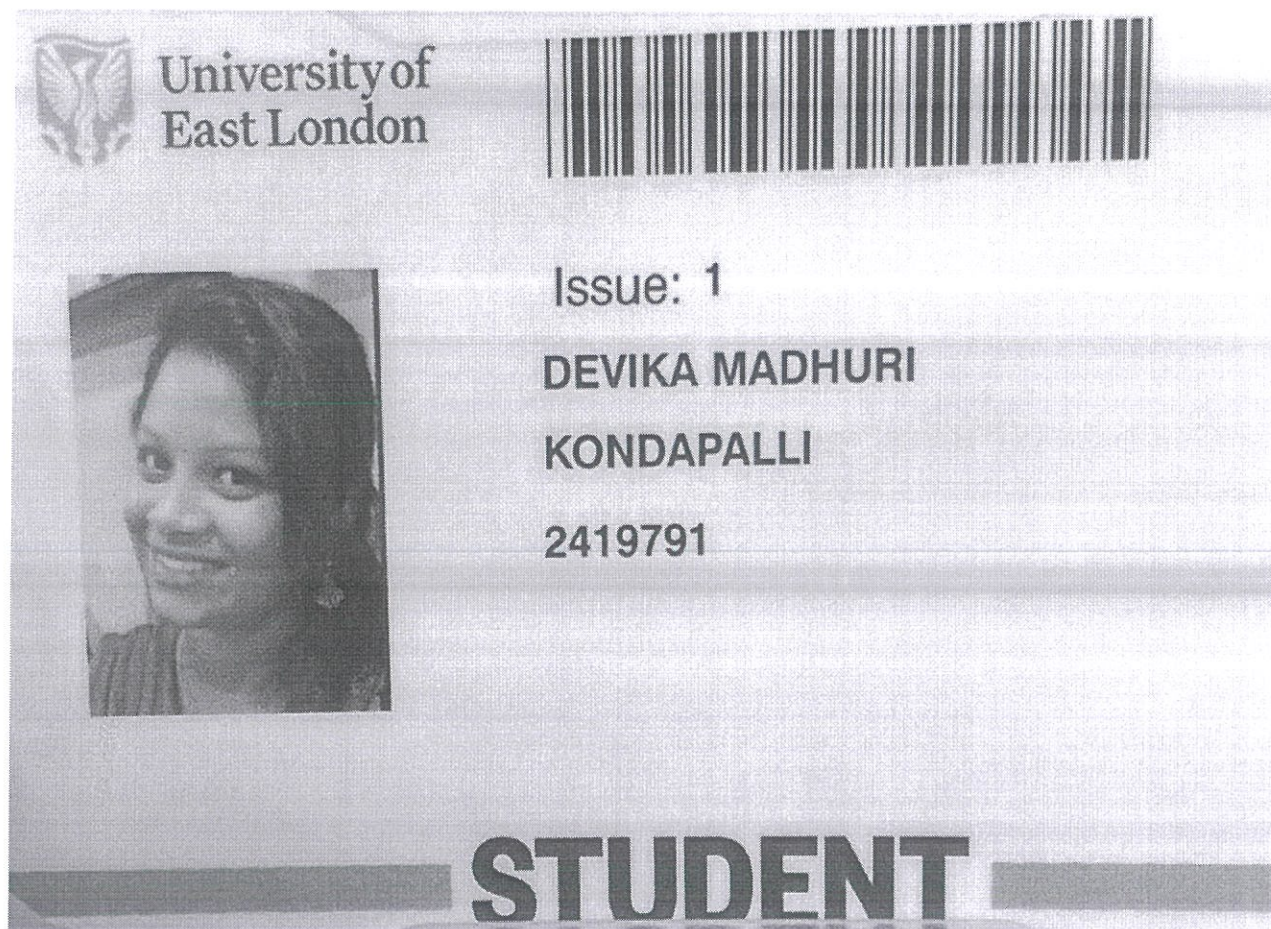

Make the best use of your stay and equip yourself with the necessary skills and personality to growth into successful person in your professional life.
