4. G P Verma - I have fond memories of my college, AIPS. My start at that college was eventful and educative. I entered the college with inhibitions, but came out of it with confidence positively and skills needed for developing in life.

5. A Naveen - College life is one of the best phases in our life. As we graduate from our adolescence to young adulthood, we are vulnerable and immature, to avoid costly mistakes pitfalls, we should need the advice of teachers and parents.
