## ERP POLICY

Avanathi Institute of Pharmaceutical Sciences believes that the enforcement of the simple and automated approaches in the governance of the academic system. Various functions such as offering planning, development, administration, management of examinations play a vital role in the academic system and have been considered as separate modules. These functions involve a lot of data that is to be stored, handled, in a bold manner. One more aspect of this data is, it keeps on growing as the days add on one by one. So day by day organization of this data is required in a well defined manner. For this purpose, each module has been assigned with a tool and many of these tools are designed and implemented in-house to facilitate ease of organizing data and storing in a well defined manner. This makes retrieval of the data whenever required much simpler. Most of the functional bodies in the institution use the ERP system for providing e-governance. Transparency of everything done in the college is exhibited through ERN system.

The Enterprise resource planning (ERP) of Avanathi Institute of Pharmaceutical Sciences consists of a portal: [www.avanthipharma.ac.in](http://www.avanthipharma.ac.in) that functions the smooth functioning of the academic activities of the college.

### ❖ Administration

Enterprise Resource planning (ERP) of Avanathi Institute of Pharmaceutical sciences for administration involves the SOUL 3.0 software for Library, Biometric finger print attendance system for acquisition of staff attendance, Jnanabhoomi Facial Recognition system for acquiring the attendance of faculty as well as students, Grievance Reporting portal for students to address their issue online, Surveillance system to provide safety and security in and around the campus.

#### • Biometric Finger print attendance System:

Avanathi Institute of Pharmaceutical Sciences believes that biometric finger print attendance system as most reliable as it acquires data with high accuracy, eliminates time theft, prevents buddy punching, Boosts employee morale, increases accountability, simplifies payroll.

#### ➤ JB-FRS (Jnanabhumi attendance system):

Avanathi Institute of Pharmaceutical Sciences on the suggestion from government of Andhra Pradesh implement the use of Facial Recognition System app Jnanabhumi for recording the attendance of faculty through smart phone. Faculty can easily record the attendance of the students with their authentication. This is a free of cost application developed by RNIT in coordination with

the government of Andhra Pradesh.

### ➤ SOUL 3.0 Software:

SOUL 3.0 developed by INFLIBNET is a UNICODE - based multilingual support for Indian and foreign languages. It supports cataloging of electronic resources such as e-journals, e-books, virtually any type of materials. It provides default templates for data entry of different type of documents. This software can be bought by paying one time.

### ➤ Grievance Reporting Portal:

Avanathi Institute of Pharmaceutical Sciences hold a portal linked to its web page facilitating the students to report their issues.

### ➤ Surveillance:

Avanathi Institute of Pharmaceutical sciences uses network of cameras places all over the campus to provide security and surveillance of the activities. The system is password protected and only be accessed with the credentials of the principal.

### ❖ Finance and Accounts

Enterprise Resource Planning (ERP) of Avanathi Institute of Pharmaceutical Sciences for Finance and Accounts includes the usage of software - FOCUS which is found to be very effective in managing financial affairs of the institution .At the same time maintaining the storage of data and retrieving it whenever needed.

### ➤ FOCUS:

Avanathi Institute of Pharmaceutical sciences uses Focus tool which is protected through User authentications. This tool is mainly used for accounting purpose and maintaining a record of the flow of finance in the institution.

### ❖ Student Admission and Support

Enterprise Resource Planning (ERP) of Avanathi Institute of Pharmaceutical Sciences for student admission and support includes the use of Online fee payment portal for students, Admission Enquiry forms available online and feedback forms to support the students in their academics and activities needed.

## ➤ Online fee payment portal:

Avanthi Institute of Pharmaceutical Sciences holds a payment portal in its webpage facilitating the Students to pay fee online without delay and avoiding queues.

## ➤ Online Admission forms:

Avanthi Institute of Pharmaceutical Sciences through its website facilitates Admission forms for the enquiry of the available seats in the college.

## ➤ Feed back:

Avanthi Institute of Pharmaceutical Sciences through its website provides three types of feedback forms for faculty, parents and student in its website where faculty, student and parents can suggest the administration about the curriculum and assist in moulding the academics.

## ❖ Examinations :

Enterprise Resources Planning (ERP) of Avanthi institute of Pharmaceutical sciences for Examinations includes the use of JNTU-GV portal where administration can keep a track of the results in every semester with having different types of analysis department wise and overall and for individual student .

## 2.ADMINISTRATION

Avanthi Institute of Pharmaceutical Sciences, Tagarapuvalasa uses Enterprise Resource Planning (ERP) tools for attendance, Library, Grievance reporting and Surveillance. Biometric Fingerprint attendance system, SOUL 3.0 Library management system, web-page enabled grievance reporting and Surveillance system. These tools helps in gathering vital information related to employees and students and maintain the records stored in the form of digital data and reduce the use of paper. Issue and return of library books is automated. Record of all new books is maintained in the system and each book is assigned with an unique number for easy identification. Grievance and redressal cell can be reported with issues easily through the web-page. Surveillance system in the college helps for better security and monitoring.

### 2.1. ERP in Recording Attendance

Avanthi Institute of Pharmaceutical Sciences will always be the first in the usage of modern technology to minimize the human effort and make the jobs much easier than before. In its campus there is a **Biometric Finger print attendance system** installed to monitor the attendance of the

Avanthi Institute of Pharmaceutical Sciences

Avanthi Institute of Pharmaceutical Sciences  
Cherukupally (V), Bhogapuram Mandal  
Vizianagaram Dt., - 531162

staff which in turn can be use for monthly salary calculations. On an addition, as per the instructions issued from APSCHE, institution has implemented the use of Jnanabhumi Facial Recognition System for recording the attendance in the college. **JB-FRS** application in furnished by the Government of Andhra Pradesh for free and facilitates the recording of the attendance for faculty and students with the authentication any of the faculty in both the cases.

## 2.1.1.Attendance acquisition through Biometric

Avanthi Institute of Pharmaceutical Sciences looks towards Biometric finger print attendance systems as a reliable way of collecting the attendance without any proxy or flaws. This system provides us with a recorded data along with time stamp which makes the work simple and reliable.

### 2.2 ERP in Library

Avanathi Institute of Pharmaceutical Sciences always looks forward to the use of advanced tools to facilitate the simplification of Job and for the data management which builds up in large multiples every academic year. One of these tools is SOUL 3.0 (Software for University libraries) a state-of-the-art integrated library management software designed and developed by the INFLIBNET Centre. SOUL software as purchased by the college in the year 2023 and it is of life time validity.

**Major features and functionalities of SOUL3.0 are as follows:**

Name of the ILMS Software	Nature of Automation	Version	Year of Automation
SOUL	Fully	3.0	2023

SOUL is a UNICODE - based multilingual support for Indian and foreign languages. It supports cataloguing of electronic resources such as e-journals, e-books, virtually any type of material. It provides default templates for data entry of different type of documents.

SOUL software needs user Authentication for limiting the access rights only to the authorized persons

### 2.3.1. Grievance Redressal Mechanism

### 2.3 ERP in surveillance

Avanthi Institute of Pharmaceutical Sciences will always be the first in providing the security and safe environment to the students and staff. In its campus of Avanthi Institute of Pharmaceutical Sciences a well organized network of closed circuit cameras were installed to cover each and every corner of the premises to enhance the security in the college. This network of cameras facilitates in the close monitoring of the staff and students and leads the management towards immediate rectification if any issue arises. The monitoring is completely done from Principal's office by the Principal with admin access held with him exclusively

### 3. FINANCE AND ACCOUNTS

Avanathi Institute of Pharmaceutical Sciences emphasizes on the amount of accuracy that can be attained in the matters that includes at most sensitivity. One of such fields where accuracy is of high priority is financial Management. Financial transactions such as academic fee payment, fine payment, exam fee payment, scholarship assignment to the poor students along with generation of reports for audit will be in need of a sophisticated software. The transactions that are taking place in the institution decides the stability of the institution and in turn effects its working. For the purpose of maintaining a perfect record of each and every financial transactions happening in the institution, the management license my class board and software FOCUS were used.

Government of Andhra Pradesh through the initiative of Jaganannavidya Deevena(JVD) transfers the annual fee money of the student into the account of student's mother . This money has to be transferred by Student's mother into the college account. These transactions will be handled with ease by the software used in the institution.

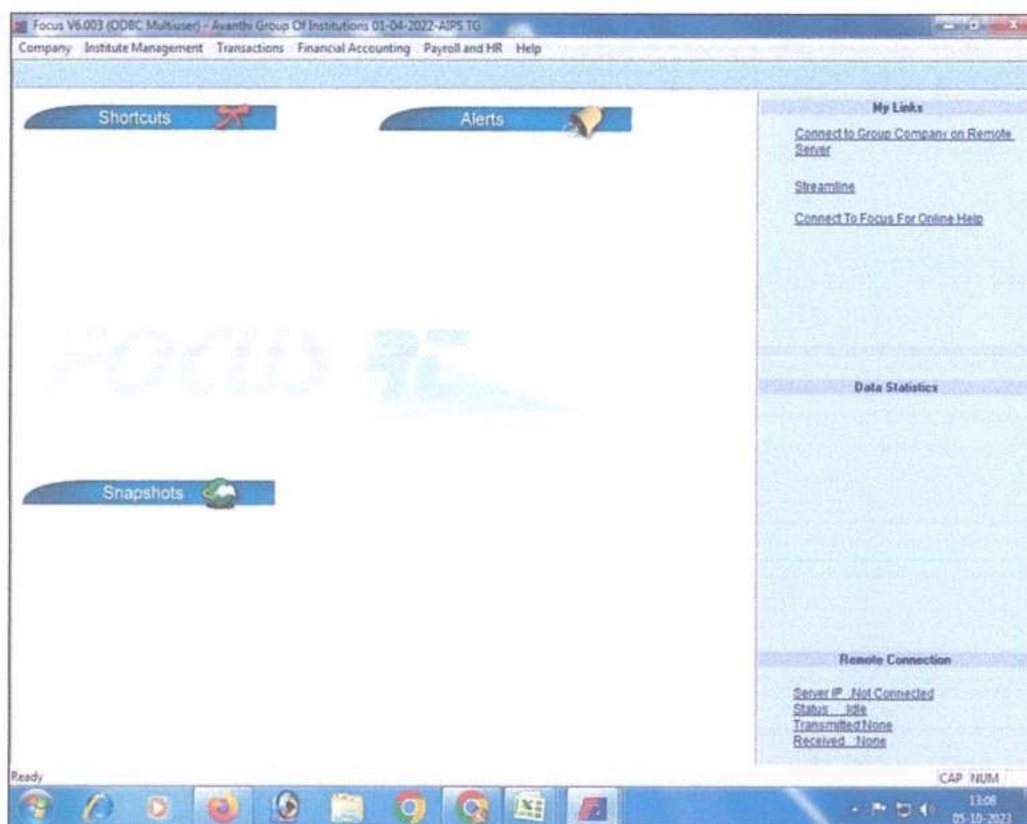

#### 3.1. FOCUS

FOCUS is a powerful financial management tools. The accounting module helps is efficient management of finance and flow of money within and outside the Organization. Avanathi Institute of Pharmaceutical Sciences uses an another efficient tool named FOCUS to cater to the needs in the financial management in a more efficient way with facilitation to the generation of receipt.

### 5.Examinations

Avanthi Institute of Pharmaceutical Sciences believes in usage of simple and sophisticated technology in the data management. With regard to the examinations there will be a various streams of data available that should be stored in a well organized manner .This data should be available in a single click when in need to conserve time and resources. For this purpose “JNTU-GV Portal” a gateway for storing the exam related data present in the JNTU-GV webpage.
