Programs conducted by the Institution for the promotion of gender equity during the year

Avanthi Institute places a profound emphasis on instilling the values of equality, inclusivity, and diversity, which are fundamental for fostering a thriving society. Throughout the year, our institution has undertaken a multifaceted approach in promoting gender equity through a diverse array of programs and initiatives. Recognizing the importance of fostering inclusivity and awareness, we have implemented several key activities touching upon various aspects of gender sensitivity. Commencing with the holistic well-being of our community, we organized inclusive yoga sessions. These sessions not only focused on the physical aspects but also delved into the historical contributions of women to the practice of yoga. Simultaneously, our Women's Day celebrations were designed to honor and appreciate the achievements of women across different fields, fostering an environment of empowerment and inspiration. Addressing health-related issues, we conducted a comprehensive awareness program on Polycystic Ovary Syndrome (PCOS). The initiative included expert-led sessions providing insights into living with PCOS, with a focus on testimonials from the female students to highlight the varied experiences within our community. Recognizing the inter-sectionality of health and gender, we also organized workshops on breast cancer awareness. To ensure the safety and empowerment of our women, programs on women's safety and self-defense were conducted. These workshops, open to all genders, were designed to equip participants with practical skills to enhance personal safety. Mental health and well-being were also prioritized through workshops addressing women's mental health and suicide prevention. These sessions aimed to raise awareness of mental health struggles specific to women, offering tailored resources and coping strategies. In alignment with our commitment to fostering a supportive environment, a student counseling program was implemented, emphasizing gender sensitivity in communication and understanding. This program provided confidential platforms for individuals to discuss gender-related concerns. In the realm of education and empowerment, we organized an essay competition focused on the girl child. The competition aimed to encourage thoughtful reflection on gender roles and stereotypes, with a panel reviewing and judging essays

with a gender-sensitive lens. Furthermore, recognizing the importance of sports in promoting gender equity, we hosted a faculty sports day, ensuring equal representation of genders in sports events and incorporating discussions on gender stereotypes in sports. Lastly, our commitment to advocacy for women's rights was exemplified through a program dedicated to the fight for women's rights. Panel discussions featuring activists and experts were organized, showcasing historical milestones and addressing current challenges in the ongoing struggle for women's rights. These discussions encouraged audience engagement, creating a platform for dialogue and reflection. In conclusion, our institution's annual gender sensitization action plan reflects a comprehensive and integrated approach to fostering gender equity. These programs, spanning various domains, collectively contribute to creating an inclusive, supportive, and informed community committed to advancing gender equality and empowerment.

Session Mentor	:	K. Vijayawada Acharya

Avanthi Institute of Pharmaceutical Sciences has organized Yoga Day Celebrations on 21-06-2021 from 10:00 AM to 12:00 PM in college seminar hall. The resource person for this event was K. Vijayananda Acharya, a certified Yoga trainer with many years of experience in both practicing and teaching Yoga. He delivered a brief and impactful presentation on the significance of Yoga in promoting a healthy lifestyle, with a special emphasis on how it can help women effectively in managing stress and achieve a balanced life. He then proceeded to demonstrate and teach various Yoga postures aimed at addressing common health issues and fostering a sense of peace and well-being. The session proved highly beneficial to all the women faculty and girl students in attendance. It not only inspired them but also encouraged them to begin learning the fundamental Yoga poses. This session motivated many of our women faculty and students to cope up with the stress they face in various aspects in day-to-day life and manage things in an easy manner. Yoga offers various benefits for women, including improved flexibility stress reduction enhanced mental wellbeing and increased strength.

A total of 110 participants, including both students and faculty, actively engaged in the event. The responses from both groups were overwhelmingly positive, as they eagerly embraced the Yoga practice and performed admirably during the session.

A Report on Building Resilience Together: Faculty - Student Counseling

Program

Activity	:	Women Empowerment Cell program (gender sensitization and gender equity)
Event	:	Building Resilience Together: Faculty-Student Counseling Program
Theme	:	“Building Resilience Together”
Date	:	16-07-2021
Timing	:	10:00 AM to 12:00 PM
Venue	:	B.Pharm 1 st year class, Avanthi Institute of Pharmaceutical Sciences.
List of Participants	:	100 students
Guest	:	Y. Vishnu Vandana, M. Madhavi Kumari, and A.H.V. Santhoshi

Women empowerment cell of AIPS, has conducted a faculty-student counselling session for students on 16-07-2021 in the B. Pharm 1st year class from 10:00 am to 12:00 pm. Around 100 girl students attended the session and the main aim of the session is to address the well-being and mental health of students. The program focused on cultivating resilience, providing support, and fostering a sense of community between faculty and students. The event aimed to create an open and empathetic space for discussing challenges, building coping mechanisms, and promoting a culture of mutual understanding within the academic community. Faculty members shared their perspectives on the challenges students may face and their commitment to creating an atmosphere that encourages open communication and support. This helped bridge the gap between faculty and students, fostering a sense of trust and understanding. The counseling session successfully brought faculty and students together to create a supportive and resilient academic community. By fostering understanding, sharing experiences, and providing practical tools, the program laid the foundation for ongoing efforts to prioritize mental health and well-being within the academic setting. The "Building Resilience Together" Faculty-Student Counseling Program has proven to be a valuable initiative in promoting mental health and resilience within our college community. The collaboration between faculty members and students has created a supportive network that extends beyond academic concerns to address the holistic well-being of students.

A Report on Awareness Program Titled “Living Well With PCOS- Expert Insights For Enhancing PCOS Awareness

Activity	:	Women Empowerment Cell program (gender sensitization and gender equality)
Event	:	Awareness Program Titled “Living Well With PCOS: Expert Insights for Enhancing PCOS Awareness
Theme	:	“Living Well with PCOS: Expert Insights for Enhancing PCOS Awareness”
Date	:	26-08-2021
Timing	:	10:00 AM to 12:00 PM
Venue	:	Seminar Hall, Avanathi Institute of Pharmaceutical Sciences.
List of Participants	:	110 students
Guest	:	Dr Ch.Hema Sudha, MD (Gynaecologist, Obstetrician)

Women Empowerment Cell had organized an awareness program on PCOS on the theme “Living Well with PCOS: Expert Insights for Enhancing PCOS Awareness” on 26-08-2021 from 10:00AM to 12:00PM for the knowledge of the girl students and women faculty. The awareness program was conducted by the resource person Dr Ch.Hema Sudha, MD (Gynecologist, Obstetrician) who is having a great experience in dealing with all gynaec issues. Around 110 girl students along with faculty members attended the session and she explained mainly about polycystic ovarian syndrome that, it is only a syndrome but not a disease, which is a lifelong condition that continues far beyond childbearing years and can be simply controlled by a proper diet & lifestyle as the reason for this syndrome is mainly due to unhealthy diet and lack of physical exercise. She said irregular/ delayed periods, excess facial hair can be considered as symptoms. She threw light on the solution for this problem like eating a balanced, low carbohydrate, high protein diet to lose weight & increasing physical activity helps a lot to overcome this issue. She has practically shown some yoga postures which are helpful to reduce the impact of the issue. Before the program ended, some of the women faculty & girl students asked some questions which were answered very patiently by Dr Ch.Hema Sudha.

A Report on Her Life, Her Hope, Women's Mental Health, and Suicide

Awareness Program

Activity	:	Women Empowerment Cell program (Gender sensitization and Gender equity)
Event	:	Her Life, Her Hope, Women's Mental Health and Suicide Awareness Initiative
Theme	:	“Her Life, Her Hope, Women's Mental Health, and Suicide Awareness Program”
Date	:	10-09-2021
Timing	:	10:00AM to 12:00PM
Venue	:	Seminar Hall, Avanathi Institute of Pharmaceutical Sciences.
List of Participants	:	200 students
Guest	:	K. Nandini, M.Sc. Psychology, Counselling Psychologist.

Women Empowerment cell of AIPS has organized an awareness program on mental health on 10-09-2021 from 10:00 AM to 12:00 PM in the college seminar hall. Counselling psychologist K. Nandini, M.Sc. Psychology elucidated the topic of Mental health and Suicide Awareness and addressed around 200 B.Pharm and Pharm.D students and staff. Beginning with the basic prospect of health and the factors it is based on, she covered concerning and important topics like anxiety, depression, and some commonly spread myths in detail. With the assistance of statistical data and graphical representations, she illustrated the inciting causes of mental illness and how it is being spread among the different age groups. Taking a note of it, she interacted with the students and discussed the elements leading to suicides in every age group. Academic pressure, financial issues, body image concerns and sexual identity are a few items comprising the list. Further, she imbued the audience with measures to prevent suicides such as providing support services, reducing access to means of self-harm, talk therapies, and enhancing coping strategies for people with suicidal tendencies. She concluded the program by emphasizing that people should be more attentive toward mental health fitness in comparison to their physical health fitness. In the end, she answered the queries in detail raised by the audience. The information imparted during the seminar served to be an eye-opener for the young students. The learning from the event would go a long way in tackling mental and emotional issues.

A Report On Awareness Program On Breast Cancer Titled "Breast Health Matters,

Join The Fight"

Activity	:	Women Empowerment Cell program (gender sensitization and gender equality)
Event	:	Awareness Program on Breast Cancer Titled "Breast Health Matters, Join The Fight"
Theme	:	"Breast Health Matters, Join the Fight"
Date	:	13-10-2021
Timing	:	10:00AM to 12:00PM
Venue	:	Seminar Hall, Avanthi Institute of Pharmaceutical Sciences.
List of Participants	:	115 students
Guest	:	Dr L. Rebecca Monika MBBS, General Physician.

Women empowerment cell of AIPS, has organized an awareness program on breast cancer on 13-10-2021 from 10:00 AM to 12:00 PM in the college seminar hall. Dr L. Rebecca Monika MBBS, General Physician was the speaker and gave a detailed presentation on breast cancer, the symptoms that can be diagnosed in various stages of cancer as well as the treatment methods which are available now such as radiation, chemotherapy, surgery and hormone therapy. Around 115 students participated in the program and there was an interaction session followed by the talk where students clarified their doubts on the disease. The awareness program on breast cancer was conducted with the primary goal of educating and empowering individuals about the importance of breast health. This initiative aimed to raise awareness about breast cancer prevention, early detection, and the significance of a proactive approach to breast health. The session was very informative and helped in clearing the myths associated with breast cancer. The students as well as faculty were involved throughout the event and took part with immense amounts of enthusiasm. It was indeed a delight and honor to be given this opportunity to conduct this for the students. The "Breast Health Matters, Join The Fight" awareness program played a pivotal role in instilling a sense of responsibility, knowledge, and unity in the fight against breast cancer. By fostering a culture of awareness and proactive health practices, the program aimed to contribute to a community where breast health is prioritized, and individuals are equipped with the information and resources needed for early detection and prevention.

A Report on Debate on Gender Sensitization

Activity	:	Women Empowerment Cell program (gender sensitization and gender equity)
Event	:	Debate on Gender Sensitization
Theme	:	“Debate Competition on Gender Sensitization Program”
Date	:	17-11-2021
Timing	:	10:00AM to 12:00PM
Venue	:	Seminar Hall, Avanathi Institute of Pharmaceutical Sciences.
List of participants	:	30 students

Women empowerment cell of AIPS, has conducted a debate competition on the theme “Debate Competition Under Gender Sensitization Program” on 17-11-2021. The Debate Competition under the Gender Sensitization Program was a resounding success in achieving its objectives. It provided a platform for participants to voice their opinions and engage in meaningful discussions about gender sensitization and equality. The debate competition was organized to promote thoughtful discourse on the topic of gender equality and sensitivity. This event aimed to engage participants in constructive debates and foster awareness about the importance of gender sensitization. The debate competition consisted of multiple rounds, with participants divided into teams. Each team comprised two or more individuals who debated on various topics related to gender sensitivity and equality. The competition was structured with an initial round of prepared speeches and subsequent rounds of impromptu debates.

Themes and Topics:

- Gender equality in the workplace.
- The role of media in promoting gender sensitivity.
- Addressing toxic masculinity and femininity.
- Strategies to combat gender-based violence.
- The importance of inclusive language and pronouns.

This competition serves as a testament to the significance of fostering gender sensitivity and promoting thoughtful discourse on gender-related issues. We believe that events like this are essential steps toward creating a more inclusive and gender-equal society. The event would not have been possible without the dedication of the participants, the insightful judging by our esteemed panel, and the support of our audience. 30 pharm D students attend in the debate competition.

A Report on Essay Writing Competition on National Girl

Child Day

Activity	:	Women Empowerment Cell program (gender sensitization and gender equity)
Event	:	Essay Writing Competition
Theme	:	“National Girl Child Day: Essay Writing Competition”
Date	:	24-01-2022
Timing	:	10:00AM to 12:00PM
Venue	:	Pharm.D Class room, Avanathi Institute of Pharmaceutical Sciences.
List of participants	:	95 students
Evaluators	:	S. Chandra Sekhar and B. Sravani
Organized by	:	Women Empowerment Cell members

Women empowerment cell of AIPS, has conducted an Essay Writing Competition on the eve of “National Girl Child” on 24-01-2022. Around 95 students participated in the Essay Writing Competition. National Girl Child Day is an event organized with the aim of acknowledging and celebrating the value and potential of girls in our society. The primary objective of the competition is to empower girls and raise awareness about the importance of gender equality, education, and equal opportunities. By encouraging girls to express their thoughts and ideas through essay writing, the competition promotes the significance of education and literacy among girls. The competition aims to showcase the talent and capabilities of girls, fostering their self-confidence and self-expression. The competition serves as a significant platform for promoting gender equality and empowering girls. It enables girls to voice their perspectives, advocate for their rights, and gain the confidence needed to thrive in their educational and personal endeavors. The competition continues to play a vital role in advocating for the rights and well-being of girls, and its impact goes beyond the competition itself, influencing communities and fostering change at a broader level. 95 students attend the event.

A Report on Program on Women Rights

Activity	:	Women Empowerment Cell
Event	:	Program on Women Rights
Theme	:	“Equality Unveiled: The Fight for Women Rights”
Date	:	15-02-2022
Time	:	10:00 AM to 12:00 PM
Venue	:	Seminar Hall, Avanathi Institute of Pharmaceutical Sciences
List of Participants	:	100 students
Guest	:	S. Lavanya, Law apprentice

Women empowerment cell of AIPS has organized a program on women's right on the theme “Equality Unveiled: The Fight for Women Rights” on 15-02-2022 from 10:00 AM to 12:00 PM in the college seminar hall. S. Lavanya, Law apprentice was the speaker. Around 100 students participated in the event and the program delves into the multifaceted efforts and progress made in advocating for gender equality and women's rights. Progress has been observed in the advocacy for and enactment of laws that guarantee equal rights for women. However, challenges persist, and concerted efforts are needed to eliminate discriminatory laws and practices that perpetuate gender-based inequalities. Advances have been achieved in ensuring equal access to quality education for women and girls. However, gender stereotypes in education remain a concern, and ongoing initiatives aim to challenge these stereotypes and promote education for girls. Positive steps have been taken to encourage and support women's participation in politics at various levels. The fight for women's rights is a dynamic and evolving process, requiring collaboration between governments, civil society, and the private sector to create a world where all individuals, regardless of gender, can live free from discrimination and enjoy equal opportunities.

Avanthi institute of pharmaceutical sciences organizes a faculty sports competition on 07-03-2022 from 10:00 AM to 12:00 PM in college seminar hall under the guidance of women empowerment cell coordinator, Y. Vishnu Vandana. The Faculty Sports Competition aims to foster a sense of community and well-being among faculty members by providing them with an opportunity to participate in sports and recreational activities. The event is organized with the goal of promoting physical fitness, mental well-being, and a work-life balance among the college faculty. The women empowerment cell committee is responsible for planning, coordinating, and executing the competition. A variety of sports and recreational activities are included in the Faculty Sports Competition to cater to different interests and skill levels. All the faculty members (teaching and non-teaching staff) took part in the competition. The institute has organized various games for female faculty members like chess and carroms. The staff has been divided into various groups for the competitions. All the faculty members participated enthusiastically. 40 faculty members took part in the game's competition. The "Champion Challenge: Faculty Sports Meet" successfully combined competition, camaraderie, and wellness, contributing to a vibrant and healthy faculty community. The event not only showcased the athletic abilities of faculty members but also emphasized the importance of maintaining an active and balanced lifestyle within the academic setting.

List of Participants	:	100 students

Women empowerment cell of AIPS, has organized an International Women's Day on 09-03-2021 in the college seminar hall. International Women's Day (IWD) is an annual global event observed on March 8th that commemorates the achievements of women in various spheres of life, while also advocating for gender equality and the elimination of discrimination and bias against women. Around 100 students participated in this celebration. The event commenced with a thought-provoking keynote address delivered by a prominent advocate for women's rights. The speaker underscored the significance of the day and highlighted the progress made in the quest for gender equality. The event featured an array of artistic displays, performances, and cultural exhibits celebrating the achievements and creativity of women in fields such as art, literature, music, and dance. The institution acknowledged and presented awards to individuals and organizations that have made significant contributions to the advancement of women's rights and the promotion of gender equality. The event significantly increased awareness about the importance of gender equality and the persistent challenges that women confront. In conclusion, the International Women's Day celebration organized was a meaningful and impactful event that successfully promoted awareness, empowerment, and unity in the pursuit of gender equality and women's rights.

A Report on Awareness Program on ovarian cancer: Together for Teal-Ovarian

Cancer Awareness and Support Program

Activity	:	Women Empowerment Cell program (gender sensitization and gender equity)
Event	:	Awareness Program on ovarian cancer: Together for Teal-Ovarian Cancer Awareness and Support Program
Theme	:	“Together for Teal: Ovarian Cancer Awareness and Support Program”
Date	:	09-05-2022
Time	:	10:00 AM to 12:00 PM
Venue	:	Seminar Hall, Avanthi Institute of Pharmaceutical Sciences.
List of Participants	:	110 students
Guest	:	Dr Aparanjini, Deputy Medical Superintendent

Women empowerment cell of AIPS, organized an awareness program on ovarian cancer on 09-05-2022 from 10:00 AM to 12:00 PM in college seminar hall. More than 110 students actively participated in the event. Dr Aparanjini was the speaker. The program utilizes the symbolic teal color to represent ovarian cancer awareness. She delivered an informative keynote address, providing an overview of ovarian cancer, its prevalence, and the importance of early detection. She highlighted the critical role of awareness in saving lives and delved into the intricacies of ovarian cancer, explaining its types, symptoms, and risk factors. She used real-life case studies to illustrate the challenges women face when dealing with this disease. A dedicated question and answer session allowed participants to seek clarification on ovarian cancer-related topics and obtain personalized insights from her. The program received overwhelmingly positive feedback from participants. Many participants reported that they felt better equipped to manage stress after attending the program. In conclusion, the "Together for Teal: Ovarian Cancer Awareness and Support Program" stands as a beacon of unity, resilience, and advocacy in the battle against ovarian cancer. This comprehensive initiative has made remarkable strides in raising awareness, fostering support networks, and promoting crucial early detection measures. The program's use of the teal ribbon as a symbol of solidarity has resonated within the students

A Report on Awareness Program on Menstrual Health and Hygiene

Activity	:	Women Empowerment Cell
Event	:	Awareness on Menstrual Health and Hygiene
Theme	:	“Empowering Women: The Importance of Menstrual Health and Hygiene”
Date	:	27-05-2022
Time	:	10:00 AM to 12:00 PM
Venue	:	Seminar Hall, Avanthi Institute of Pharmaceutical Sciences
List of Participants	:	80 students
Guest	:	Dr G.Pavitra MBBS (General Physician)

Women empowerment cell of AIPS has organized an awareness program on Menstrual Health and Hygiene on the theme “Empowering Women: The Importance of Menstrual Health and Hygiene” on 27-05-2022 from 10:00 AM to 12:00 PM in the college seminar hall. Dr G.Pavitra MBBS was the speaker. She emphasizes the critical role healthcare professionals play in promoting awareness, education, and access to menstrual hygiene resources. By dismantling societal stigmas and fostering a positive attitude towards menstruation, we can contribute to the empowerment of women in healthcare. She assesses the current challenges faced by women in managing their menstrual health, including the impact on reproductive health, susceptibility to infections, and the correlation with underlying medical conditions. She focused on reproductive health, emphasizing the importance of regular check-ups, and promoting healthy practices. She summarizes the key findings and stress the importance of prioritizing menstrual health and hygiene as a crucial step towards empowering women globally. 80 students attend the program. In conclusion, "Empowering Women: The Importance of Menstrual Health and Hygiene" represents a vital step toward fostering a world where women can embrace their menstrual health with dignity, knowledge, and confidence. By dismantling stigmas, promoting education, and ensuring access to essential resources, this initiative has made significant strides in empowering women on a global scale.

The awareness campaigns have successfully challenged societal taboos, creating open dialogues that contribute to a more supportive environment. Through education, women and girls are equipped with knowledge about their bodies, fostering a sense of agency and control over their menstrual health. Simultaneously, efforts to engage men and boys in these conversations contribute to breaking down gender-related barriers and promoting allyship.

Women empowerment cell of AIPS, has organized an awareness program on women safety on 02-06-2022 from 10:00 AM to 12:00 PM in the college seminar hall. M.Laxmi Devi was the speaker. M.Laxmi Devi in her talk addressing the girls emphasized on the strong need of every girl to have a clear idea about her rights and responsibilities. Around 80 students actively took part in the program. She suggested that the girls must create their goals from the college level itself, she added that the goal they created will help not to deviate them from any distractions. Before starting her talk she enquired whether the girls downloaded Disha App or not. She explained to the girls clearly how they can utilize the app in dire consequences. She urged the girls on the need to come forward and lodge a complaint without any fears and inhibitions. She shared her experience of how every day they encounter dowry cases, she said that dowry cases are reported at least four to five daily. She stated that every girl must keep in mind about their parents and make it a point that they will never let them down and their actions should never give any pain to them. The program was a great success and the interaction session went extremely well.
