Report on One-Day Webinar on “Importance of Performing Extensive Literature Review for Best Research Outcomes”

Date:	16/09/2020
Participants:	Students and faculty
Topic:	“Importance of performing extensive literature review for best research outcomes”
Speaker:	Dr. M. Chaitanaya M.Pharm, Ph.D. Associate Professor Bojjam Narasimhulu college of Pharmacy
Meeting Id	https://meet.google.com/utc-koxt-hkn
No of participants:	145

Mr. V. Uma Sankar , Head of the department, Avanthi institute of pharmaceutical Sciences started the session by addressing the students and introduced the speaker to the audience. Later the session hand-over to the speaker.

The webinar was organized to emphasize the crucial role of literature review in the research process and to provide valuable insights into how a comprehensive literature review can enhance the quality and impact of research. The webinar was structured into multiple sessions, each focusing on different aspects of literature review and its significance in research.

The webinar provided participants with several key takeaways and insights, including:

1. The foundational importance of literature review in the research process, serving as the building block for research design and hypothesis development.
2. Techniques and tools for conducting comprehensive literature searches, including databases, search engines, and citation management software.
3. Strategies for organizing and managing sources, including note-taking, referencing, and creating bibliographies.
4. Ethical considerations in literature review, including avoiding plagiarism and citing sources correctly.
6. The importance of continuous updating and reevaluating the literature review throughout the research process.

The webinar enlighten participants about the pivotal role of literature review in research. The event equipped attendees with valuable knowledge, tools, and strategies to conduct more effective literature reviews, ultimately contributing to the enhancement of research outcomes.

The webinar fostered active engagement and interaction among participants through live chat, polls, and Q&A sessions. Attendees had the opportunity to ask questions and share their own experiences, making the event highly interactive and informative.

Report on One-Day Webinar on “Case Cohort Research Study a Complete Insight”

Date : 15/12/2020
Participants : Students and faculty
Topic : “Case Cohort Research Study a Complete Insight”
Speaker : Mr. M. Vinodh Kumar
M.Pharm
Associate Professor
Department of pharmaceutics
Vignan Institute of pharmaceutical sciences

Meeting Id : <https://us04web.zoom.us/j/72007108555?pwd=laorDerKBJz4t5gAvQZcM1IgbtPWbl.1>

No of participants: 143

Mr. V. Uma Sankar, Head of the department, Avanthi institute of pharmaceutical Sciences started the session by addressing the students and introduced the speaker to the audience. Later the session hand-over to the speaker.

The one-day virtual webinar aimed to provide participants with a thorough understanding of case-cohort research studies, an important methodology in epidemiology and medical research. The event brought together leading experts in the field who shared their knowledge and insights on various aspects of case-cohort studies, from design and data collection to analysis and interpretation.

This session provided a foundational overview of case-cohort studies, explaining their importance and applicability in research. The speaker discussed the intricacies of designing case-cohort studies, selecting the cohort, and methods of data collection. Participants learned about the statistical techniques and tools required for data analysis and the best practices for interpreting the results. Participants gained a clear understanding of the basic principles and methodologies of case-cohort studies. The case studies and real-life examples illustrated how case-cohort studies have been applied successfully in various research domains, including epidemiology, clinical trials, and public health.

Feedback from participants was overwhelmingly positive. Many participants commended the organization for bringing together a group of highly knowledgeable and engaging speakers. They also expressed their appreciation for the practical insights and resources shared during the event.

Report on One-Day Webinar on “Quill Bot Software Application and their Usage in Thesis Writing

Date	: 16/02/2021
Participants	: Students and faculty
Topic	: “Quill Bot software application and their usage in thesis writing”
Speaker	: Mrs., K.Swathi Priya M.Pharm,(Ph.D) Associate Professor Srinivasa College of pharmacy
Meeting Id	: https://meet.google.com/utc-kox-t-hkn
No of participants	: 146

Mr. V. Uma Sankar , Head of the department, Avanthi institute of pharmaceutical Sciences started the session by addressing the students and introduced the speaker to the audience. Later the session hand-over to the speaker. The speaker started the session with greeting all the participants. The participants include students.

The webinar was structured into three main sessions, each focusing on different aspects of Quill Bot and its application in thesis writing:

1. Introduction to Quill Bot: The first session provided an overview of the Quill Bot software, its features, and how it can aid in the writing process. The discussion also covered the benefits of using Quill Bot in academic writing.
2. Thesis Writing with Quill Bot: The second session was dedicated to showcasing practical demonstrations of how to use Quill Bot in thesis writing. It included tips and tricks for efficient utilization of the software.
3. Q&A and Discussions: The final session allowed participants to interact with experts, ask questions, and share their experiences with Quill Bot. It fostered a dynamic exchange of ideas and best practices among the participants.

Participants learned how Quill Bot can assist in enhancing the clarity and coherence of thesis writing, making it more reader-friendly and academically sound. The second session demonstrated how to integrate Quill Bot into the thesis writing process. The Q&A session was particularly engaging, with participants asking insightful questions about Quill Bot's compatibility with different writing styles, citation formats, and languages.

The event concluded with a sense of enthusiasm and a commitment to continued learning and improvement in academic writing with the help of Quill Bot. It is evident that such webinars are essential for the academic community as they bridge the gap between traditional writing practices and the modern tools available for effective thesis writing.

Topic : “ETHICAL GUIDELINES ON RESEARCH METHODOLOGY”
Speaker : Dr K E V Nagoji
M.Pharm, Ph.D.
Professor&Principal,
Sri Venkateswara College of Pharmacy, Etcherla.

No of participants : - 230

The seminar on Ethical Guidelines on Research Methodology aimed to enlighten all students about the critical importance of ethical considerations in the research process.

The seminar commenced with an introduction to the fundamental principles of research ethics and emphasized the role of ethical guidelines in shaping the quality and credibility of research outcomes. Speaker has addressed about ethical principles in research, protection of human subjects, Research Design and Data Collection, Responsibilities in Reporting and Dissemination, Case Studies and Practical Applications.

The Ethical Guidelines on Research Methodology seminar provided a platform for robust discussions and insights into the ethical dimensions of research. It served as a reminder that ethical considerations should be at the forefront of every researcher's mind, contributing to the development of responsible and impactful research practices. The session allowed participants to interact with experts, clarify their queries and share their experiences.

- No. Of Participants** : 192

The webinar started with welcoming speech by addressing and introduction of the speaker Dr. G.V. Nagaraju Associate Professor Department of Pharmacy Practice Hindu College Of Pharmacy, Guntur.

Dr. G.V. Nagaraju started the lecture and there was a healthy interactive session by clarifying the doubts of the students regarding the publishing books. In his lecture he explained about intellectual property in the book publishing on his perspective and Intellectual Property has always played an increasingly significant role in today's technology-driven society and the right to ownership of anything created by the human mind. He said that the authors begin by introducing basic notions of intellectual property, drawing on examples from the publishing world, before focusing more closely on the bundle of rights covered by copyright He finally concluded his lecture by pointing out the a detailed discussion of the complex issues relating to digital and electronic publishing lies outside the scope of the current publication.. After his lecture the students and faculty were given time to interact with the dignitary.

The webinar gave a good understanding Intellectual property importance and intellectual creation such as literary works, artistic work, inventions, designs, symbols, names, images, computer codes etc. The webinar also tells about the intellectual property law which determines about the publications, distribution and usage rights for the creator.

PROFILE OF THE RESOURCE PERSON

Mr. G. JagadeeswaraRao has obtained his M.H.R.M (Department of IR&PM) From A.U Campus. He expounds the sphere of prestigious management organization in various companies, institutes, not only in state but also central arena where it is difficult to fathom the importance of the skill and work administration. He offered invaluable service in the organizations and projects in high status and stature to my credit.

In terms of humble service in Aparna constructions for a span of two (2005-2007) as HR & Admin manager. He also has working experience in SRISHA Abode Solutions as Redox Laboratories and contained over here for 9 years (2009 to 2017).

Redox Laboratories excluding several skill development programmes have been implemented in a broad scale way across the PAN India. Moreover, it is highly glad to expose that he also handled state and central government projects like SERP, RYK, DDU-GKY, MDRD, HIMAYAT for Jammu and Kashmir, IAF, commercial projects exclusively in pharmaceutical sector etc.

He also handled the projects for a span of one year. Above all, it is included with center setups, procurements, assessments in the arena of job trainings and industries as well.

It gives pleasure to reveal that a great community of young and youth unemployed are trained and recruited at their choice.

Report on One-Day Seminar on "Entrepreneurship Skills Attitude and Behavioral Development for Becoming a Successful Entrepreneur"

Date: 07/01/2021
Participants: Students and faculty
Topic: "Entrepreneurship Skills Attitude and Behavioural Development for Becoming a Successful Entrepreneur"
Speaker: Mr. G. JagadeeswaraRao
Managing Director
CMS Skills Design Centre & CMS Laboratories - Vsp

No of participants :65

The one-day seminar on "Entrepreneurship Skills Attitude and Behavioural Development for Becoming a Successful Entrepreneur" was organized with the aim of empowering aspiring entrepreneurs with essential skills, fostering the right attitude, and developing crucial behavioural traits necessary for success in the entrepreneurial world. Held at AVNP – Seminar Hall , the seminar saw the participation of enthusiastic individuals eager to delve into the realms of entrepreneurship.

Key Objectives:

1. To highlight the critical skills required for successful entrepreneurship.
2. To cultivate the right attitude and mindset necessary for entrepreneurial success.
3. To address and develop behavioural traits conducive to effective entrepreneurial endeavours.

Renowned entrepreneurs, industry leaders, and experts in various fields shared their insights and experiences. They discussed the significance of innovation, risk-taking, and adaptability in entrepreneurial journeys.

Interactive workshops were conducted focusing on essential skills such as communication, leadership, problem-solving, and financial management. Participants engaged in practical activities to enhance these skills. Inspirational speeches by successful entrepreneurs aimed at motivating and instilling a resilient mindset among attendees.

They shared personal anecdotes, highlighting their challenges and victories on the path to success. Panels comprised of seasoned entrepreneurs and business mentors discussed strategies for navigating challenges, building sustainable businesses and leveraging market opportunities. Participants were provided ample networking breaks to connect with peers, speakers, and mentors.

This facilitated the exchange of ideas and potential collaborations. Emphasizing the importance of continuous learning and adaptability in the dynamic entrepreneurial landscape. Encouraging risk-taking with calculated measures and learning from failures. Stressing the role of resilience and perseverance in overcoming obstacles. Understanding the significance of ethical business practices and social responsibility. Cultivating a proactive approach towards innovation and creativity.

The seminar was an enriching experience for all participants. It not only provided valuable insights into the world of entrepreneurship but also equipped attendees with practical knowledge, skills, and the right mindset necessary for their entrepreneurial endeavours. The event concluded on a positive note, with attendees expressing their gratitude for the informative sessions and networking opportunities. Incorporate more hands-on activities or simulations to reinforce learning. Include sessions on specific industry trends and emerging markets. Extend the duration of the seminar for a more in-depth exploration of certain topics.

Overall, the seminar served as a catalyst in empowering aspiring entrepreneurs, fostering a spirit of innovation, and preparing them for the challenges and opportunities in the entrepreneurial landscape.
