Description:

The Students of Avanthi Institute of Pharmaceutical Sciences, Cherukupally, Organized an Awareness program on Beat Air Pollution on 05-06-2018. Avanthi Institute of Pharmaceutical Sciences held an extensive awareness initiative centered on tackling air pollution. The event's objective was to enlighten the local community and auto drivers on the significance of addressing air pollution issues and promoting sustainable actions to safeguard our environment.

During this awareness program, our students imparted knowledge to 60 households and auto drivers in the Cherukupally area regarding the adverse impacts of air pollution and more effective methods to mitigate it. The event successfully educated and empowered participants to make informed choices that contribute to a cleaner and healthier environment.

Description:

The Students of Avanathi Institute of Pharmaceutical Sciences, Cherukupally, Organized on Food Distribution Campaign on 16-10-2018. Food distribution campaign was organized to address food insecurity issues in local communities or among specific groups of people in need. This campaign typically involves collecting food donations, and distributing meals or food packages to those who are in need.

These initiatives not only provide immediate relief by distributing food but also raise awareness about hunger-related issues and encourage community involvement in addressing them. Students engaged in such campaigns demonstrate social responsibility and contribute significantly to helping alleviate food insecurity within their communities.

AWARENESS PROGRAM ON ORAL HYGIENE

Name of the activity	: Awareness program on oral hygiene
Date of event	: 02-12-2018
Time	: 9:00 AM
Venue for the Activity	: M.P.P School, Tallavalasa
Audience/Group	: NSS Coordinator, Principal, HOD, Faculty and students
Chief Guest	: Principal
No of Volunteers present	: 59

Description:

The Students of Avanathi Institute of Pharmaceutical Sciences, Cherukupally organized Awareness program on oral hygiene on 02-12-2018. Oral hygiene is a crucial component of overall health. Awareness programs on oral hygiene conducted by AIPS students often involve educational campaigns, presentations, workshops, and demonstrations in schools or communities. These initiatives aim to educate people about proper dental care, brushing techniques, the importance of regular check-ups, and the impact of diet on oral health. Students may collaborate with dental professionals, create informative posters, pamphlets, or videos, and organize interactive sessions to promote good oral hygiene habits among their peers and the broader community.

Description:

The Students of Avanathi Institute of Pharmaceutical Sciences, Cherukupally organized Beach cleaning program-environmental protection on 19-12-2018. The program aimed to raise students awareness of environmental issues and improve the well-being of the surrounding community. The Beach Cleaning Program's main goal was to get the community involved in protecting the environment by clearing the beach of trash, plastic waste, and other debris. The program also aimed to inform participants about the harm that pollution causes to the ecosystem and marine life. Along with the faculty member, 60 students cleaned 5 kilometres of coastline and gathered 25 kilograms of trash, which included plastic bottles, bags, straws, fishing nets, surgical masks, broken glasses, sharp metals, hard plastics, and other items.
