Description:

The Students of Avanthi Institute of Pharmaceutical Sciences, Cherukupally, Organized Awareness Program on Tree plantation on 05-06-2019. Tree plantation programs organized by students involve various activities aimed at enhancing the environment and promoting ecological balance. Tree planting events are organized, where students along with volunteers or community members, plant saplings in designated areas such as schools, public parks, roadsides, or degraded lands. Awareness campaigns are conducted to educate the community about the importance of trees in environmental conservation, including their role in reducing carbon emissions, improving air quality, and preventing soil erosion. Tree plantation programs not only contribute to increasing green cover but also instill a sense of environmental responsibility and sustainability among students and the wider community.

AWARENESS PROGRAM ON ANAEMIA IN CHILDREN

Name of the Activity	: Awareness Program on Anaemia in children
Date of Conduction	: 26-11-2019
Time	: 10:00 AM
Venue for the Activity	: Z.P.H School,Chippada
Audience/Group present	: NSS Coordinator, Principal, HOD, Faculty and students
Organizing unit	: NSS unit
Chief Guest	:Principal
No of students participated	: 27

Description:

The Students of Avanthi Institute of Pharmaceutical Sciences, Cherukupally organized an Awareness program on Anaemia in children on 26-11-2019 at Z.P.H School. The students aim was to provide more knowledge about anemia, including its causes, symptoms, and preventative actions to the Z.P.H students. The purpose of the event was to raise awareness among the Z.P.H. School personnel and students. The program's participatory format encouraged insightful conversations and the exchange of knowledge. By providing instructional materials, it was made sure that the guests would continue to gain from the information even after the event. By transferring the initiative that the Z.P.H. School's AIPS students took to spread knowledge about anemia was successful. The event made a substantial contribution to the spread of knowledge on anemia and its prevention by promoting healthy habits and vital knowledge.

No. of students participated	: 36

Description:

The Students of Avanthi Institute of Pharmaceutical Sciences, Cherukupally organized “Medical Campaign: Wellness on Wheels Campaign by AIPS”. The purposes of the medical campaigns were to help the people of Reganigudam Village by offering fundamental medical treatment, promoting health awareness, and providing healthcare services. Early health issue detection was made possible by the camp, which also gave important insights into the community's prevalent health concerns. Furthermore, the instructional workshops encouraged the villagers to adopt healthier lifestyle choices by increasing awareness of preventative medical measures. In addition to attending to urgent medical needs, the event sought to make a long-lasting impression by raising community health awareness and wellness.

AIPS College is still dedicated to putting up these kinds of healthcare programs in order to improve the health of marginalized people.

Description:

The students of Avanathi Institute of Pharmaceutical Sciences, Cherukupally, Organized Awareness program to the public about renewable energy. The awareness program orchestrated by pharmacy students from Avanathi Institute of Pharmaceutical Sciences accomplished its goals admirably. It provided education on diverse renewable energy sources, elucidating their advantages and pivotal role in diminishing carbon emissions. This initiative not only heightened awareness but also motivated both students and the public to engage actively in embracing renewable energy and fostering sustainable behaviors.

As we progress towards a more sustainable tomorrow, it remains imperative to sustain efforts in arranging educational campaigns that advocate for the adoption of renewable energy and the preservation of the environment.
