AWARENESS PROGRAM ON PROHIBITION OF BURNING LEAVES

Name of the Activity	: Awareness program on Prohibition of burning leaves
Date of Conduction	: 05-06-2020
Time	: 10:00 AM
Venue for the Activity	: Tagarapuvalasa locality
Audience/Group present	: NSS Coordinator, Principal, HOD, Faculty and students
Chief Guest	: Principal
No of students participated	: 47

DESCRIPTION:

The Students of Avanathi Institute of Pharmaceutical Sciences, Cherukupally, Organized Awareness program on Awareness program on Prohibition of burning leaves on 05-06-2020. The students are actively participated by educating them about the environmental impact of burning leaves, release of harmful pollutants, air quality degradation, and the promotion of alternative methods like composting or mulching. Students also engaged in activities like conducting campaigns to spread awareness within their communities about the detrimental effects of leaf burning and encourage adopting eco-friendly alternatives. Practical demonstrations of eco-friendly alternatives like composting or mulching can be organized. This allows students to learn and showcase sustainable practices that can be adopted instead of burning leaves.

DESCRIPTION:

The Students of Avanthi Institute of Pharmaceutical Sciences, Cherukupally, Organized Awareness program on One Citizen One Tree in Cherukupally. This initiative focuses on fostering environmental consciousness and sustainability by encouraging individuals to contribute to reforestation efforts. Awareness programs organized by students for "One Citizen One Tree" typically involves conducting informational campaigns through workshops, seminars, and educational materials to highlight the significance of trees in mitigating climate change, improving air quality, conserving biodiversity, and preventing soil erosion, engaging local communities, schools, civic groups, and businesses to participate in tree planting drives, creating a sense of collective responsibility and encouraging widespread involvement, and organizing tree planting events in parks, open spaces, schools, and public areas to facilitate active participation and demonstrate the tangible impact of individual tree planting efforts. The "One Citizen One Tree" initiative, driven by students, not only contributes to expanding green spaces but also empowers individuals to take tangible actions toward environmental conservation and sustainability, fostering a more ecologically conscious society.

DESCRIPTION:

The Students of Avanathi Institute of Pharmaceutical Sciences, Cherukupally organized “World Nutrition Day -Feeding Smart Right from Start ”on 09-11-2020 at Cherukupally. We have started the event by Enhancing nutritional knowledge, awareness on healthy food, and minimizing health inequities associated with malnutrition, nutritional deficiency as the key priorities. The students of AIPS have also educated by increasing public understanding regarding the healthy diet. They aim to educate their peers about the importance of balanced diets, proper nutrition, and healthy lifestyle choices. Student-led awareness program on nutrition often utilize creative approaches, such as posters, pamphlets, informational sessions, and social media campaigns, to effectively communicate messages about the importance of nutrition and its impact on overall health. These initiatives empower students to become advocates for healthy living and foster positive changes in their communities' nutrition-related behaviors.

AWARENESS PROGRAM ON TREE PLANTATION

Name of the Activity : Awareness program on Tree plantation
Date of Conduction : 09-12-2020
Time : 10:00 AM
Venue for the Activity : Cherukupally
Audience/Group present : NSS Coordinator, Principal, HOD, Faculty and students
Chief Guest : Principal
No of students participated : 49

DESCRIPTION:

The Students of Avanathi Institute of Pharmaceutical Sciences, Cherukupally, organized Awareness program on Tree plantation on 09-12-2020 at Cherukupally. Awareness programs on tree plantation organized by students aim to engage and educate their peers and the community on the importance of planting trees and fostering environmental stewardship. Students conducted workshops, seminars, and educational sessions within their schools or local communities to raise awareness about the benefits of trees, including their role in combating climate change, improving air quality, and supporting biodiversity, organizing tree planting events within school grounds or nearby public spaces, encouraging active participation from students, teachers, and community members to plant trees, fostering a sense of responsibility and ownership towards the environment, providing guidance on post-planting care and maintenance to ensure the survival and growth of the planted trees, potentially involving follow-up activities to monitor tree health and engage the community in ongoing care efforts. These programs initiated by students not only contribute to greening the environment but also foster a sense of environmental responsibility and activism among youth, empowering them to become advocates for sustainable practices in their communities.

DESCRIPTION:

The Students of Avanathi Institute of Pharmaceutical Sciences, Cherukupally, organized Awareness program on Village cleaning on 16-02-2021 at Cherukupally. Student-led village cleaning initiatives involve collaborative endeavors to enhance the cleanliness and hygiene of rural regions. Engaging actively, students conduct educational campaigns aimed at educating locals about cleanliness, effective waste management, and hygiene practices. Encouraging community participation in the cleanup activities cultivates a sense of accountability and ownership among villagers towards sustaining a clean environment. These endeavors not only promote environmental cleanliness but also empower communities by fostering pride and a shared responsibility for their surroundings.
