#### Description:

The Students of Avanthi Institute of Pharmaceutical Sciences, Cherukupally organized an Awareness program on communicable diseases on 05-06-2021. In accordance with the direction of staff members, AIPS hosted this program at M.P.P. elementary school. This awareness program was conducted to educate the public and promote preventive measures for communicable diseases. AIPS students raised awareness about common communicable diseases and promoted preventive measures to protect individuals and communities. The students addressed the common causes of communicable diseases and how to avoid them. Preventive measures such as hand hygiene, vaccination, respiratory hygiene, and safe food and water practices were promoted among the young children. This program was a huge success due to cooperation of the students and faculty members.

#### DESCRIPTION :

The Students of the Avanathi Institute of Pharmaceutical Sciences, Cherukupally, organized an awareness rally on 06.09.2021 at 10:00 AM. Maintaining a healthy body weight, supporting normal growth, development, and aging, and lowering the risk of chronic disease all result from eating a balanced diet throughout life. General wellbeing and health. .The aim is to increase consciousness regarding the significance of a healthy diet in preserving one's health .To increase understanding of the value of a healthy diet in preserving one's health and wellbeing To encourage wholesome eating habits, To teach pupils about the prevention of malnutrition and the steps to take in order to avoid it. To provide knowledge about preventing obesity and overeating. To provide education on how to prevent obesity and overnutrition, as millions of underprivileged children nationwide experience stunted growth due to improper nutrition. They noted that many low-income adults could not afford wholesome meals, which had an impact on their productivity and health.

**DESCRIPTION :**

The Students of Avanathi Institute of Pharmaceutical Sciences, Cherukupally organized a program on “Preventive measures to control vector-borne disease by maintaining proper environmental determinants ” on 08-09-2021. The students of pharmacy at Avanathi Institute of Pharmaceutical Sciences in Gudiwada developed an awareness session on preventive methods to control vector-borne disease by maintaining healthy environmental determinants. The program's objectives were to raise typhoid awareness and encourage wellness among students and the local population. Additionally, it educated the children about food and preventive steps to avoid contracting typhoid disease. Additionally, it improved people's knowledge, ability to identify symptoms, and understanding of the appropriate course of action in instances like this.

### DESCRIPTION :

The Students of Avanthi Institute of Pharmaceutical Sciences, Cherukupally organized Tree planting program on 13-11-2021. We started the tree planting event by giving a quick overview on energy saving and its importance. Along with Faculty members, the students excitedly planted a variety of native trees in key spots across Cherukupally. In addition to increasing the amount of green space in the town, the program sought to inform the local population about the critical role that trees play in energy conservation and ecological balance. The occasion provided as an illustration of the critical role that academic institutions may play in encouraging constructive social change.

**DESCRIPTION :**

The Students of Avanathi Institute of Pharmaceutical Sciences, Cherukupally organized On 24th November 2021 “National Pharmacy Week” is a significant annual event that celebrates the vital role of Pharmacists and Pharmacy professionals in the healthcare system. AVANTHI INSTITUTE OF PHARMACEUTICAL SCIENCES took a proactive approach to celebrate this occasion by organizing a spirited rally that aimed to raise awareness about the Pharmacy profession, its importance in healthcare and the services pharmacists provide to the community.. It served as a reminder of the critical role Pharmacists play in healthcare and their dedication to patient well-being. The event fostered a sense of unity and pride among the college community and strengthened the bond between the college and the local community.

### DESCRIPTION :

The Students of Avanathi Institute of Pharmaceutical Sciences, Cherukupally organized “Motivating local Shopkeeper to Ban plastic” on 11-05 2022. Students studying pharmacy at Avanathi Institute of Pharmaceutical Sciences started a campaign to persuade Cherukupally’s neighborhood shopkeepers to ban plastic. The campaign's objectives were to promote sustainable alternatives and increase public awareness of plastic's harmful impact on the environment. On 11-05-2022 the students planned a number of events, including an awareness workshop and the distribution of alternatives, to involve the neighborhood retailers and forward the plastic ban project. The merchant’s commitments and the awareness they raised demonstrate the possibility of beneficial change beginning at the local level.
