ERP POLICY

Avanthi Institute of Pharmaceutical Sciences believes that the enforcement of the simple and automated approaches in the governance of the academic system. Various functions such as offering planning, development, administration, management of examinations play a vital role in the academic system and have been considered as separate modules. These functions involve a lot of data that is to be stored, handled, in a bold manner. One more aspect of this data is, it keeps on growing as the days add on one by one. So day by day organization of this data is required in a well defined manner. For this purpose, each module has been assigned with a tool and many of these tools are designed and implemented in-house to facilitate ease of organizing data and storing in a well defined manner. This makes retrieval of the data whenever required much simpler. Most of the functional bodies in the institution use the ERP system for providing e-governance. Transparency of everything done in the college is exhibited through ERN system.

The Enterprise resource planning (ERP) of Avanthi Institute of Pharmaceutical Sciences consists of a portal: www.avanthipharma.ac.in that functions the smooth functioning of the academic activities of the college.

❖ Administration

Enterprise Resource planning (ERP) of Avanthi Institute of Pharmaceutical sciences for administration involves the SOUL 3.0 software for Library, Biometric finger print attendance system for acquisition of staff attendance, Jnanabhoomi Facial Recognition system for acquiring the attendance of faculty as well as students, Grievance Reporting portal for students to address their issue online, Surveillance system to provide safety and security in and around the campus.

• Biometric Finger print attendance System:

Avanthi Institute of Pharmaceutical Sciences believes that biometric finger print attendance system as most reliable as it acquires data with high accuracy, eliminates time theft, prevents buddy punching, Boosts employee morale, increases accountability, simplifies payroll.

➤ JB-FRS (Jnanabhumi attendance system):

Avanthi Institute of Pharmaceutical Sciences on the suggestion from government of Andhra Pradesh implement the use of Facial Recognition System app Jnanabhumi for recording the attendance of faculty through smart phone. Faculty can easily record the attendance of the students with their authentication. This is a free of cost application developed by RNIT in coordination with

3. FINANCE AND ACCOUNTS

Avanthi Institute of Pharmaceutical Sciences emphasizes on the amount of accuracy that can be attained in the matters that includes at most sensitivity. One of such fields where accuracy is of high priority is financial Management. Financial transactions such as academic fee payment, fine payment, exam fee payment, scholarship assignment to the poor students along with generation of reports for audit will be in need of a sophisticated software. The transactions that are taking place in the institution decides the stability of the institution and in turn effects its working. For the purpose of maintaining a perfect record of each and every financial transactions happening in the institution, the management license my class board and software FOCUS were used.

Government of Andhra Pradesh through the initiative of Jaganannavidya Deevena (JVD) transfers the annual fee money of the student into the account of student's mother. This money has to be transferred by Student's mother into the college account. These transactions will be handled with ease by the software used in the institution.

3.1. FOCUS

FOCUS is a powerful financial management tools. The accounting module helps is efficient management of finance and flow of money within and outside the Organization. Avanthi Institute of Pharmaceutical Sciences uses an another efficient tool named FOCUS to cater to the needs in the financial management in a more efficient way with facilitation to the generation of receipt.
