EPF POLICY

The institute extends the Employee Provident Fund (EPF) benefit to eligible teaching and non-teaching staff. This involves both employee and employer contributions, following the guidelines of the EPFO. Eligible staff members contribute a percentage of their basic salary and dearness allowance, matched by an equal contribution from the institute. The process includes assigning a Universal Account Number (UAN) for each employee, ensuring portability. The institute maintains strict compliance with EPFO regulations, facilitating a smooth withdrawal and settlement process for employees when applicable. This initiative reflects the institute's commitment to the financial well-being of its workforce.
